Putnam County Health Department Visits Schools

Putnam county Health Department nurse, Katie Main, is shown giving Josie McMullen her H1N1 vaccine during the PC school clinic on Thursday, October 29th.

The Putnam County Health Department would like to reassure the community that they are working diligently to provide H1N1 vaccinations for our citizens. They are closely monitoring the situation and are making adjustments as needed. Please be patient, as this process will take time.

Health Department nurses and nurse-volunteers vaccinated children for H1N1 in the PC schools last Thursday. "Flu viruses often spread quickly in schools as children are in close proximity to each other," says Diana Rawlings, Public Health Administrator. "By vaccinating school children we may be able to slow down the spread of H1N1 influenza and lessen the number of people in the community who contract this illness."

The Health Department will begin offering H1N1 vaccinations to the following priority groups at the McNabb Fire Hall. Please enter from Paul St. and exit on Rt.89. There is no fee for the vaccine.

- Thursday Nov. 5th
 2:00 p.m. – 6:00 p.m.
- Pregnant women
 - Children age 6 months to 24 years
- 3:30 p.m. – 6:00 p.m.
- People who live with or provide care for infants younger than 6 months
 - Health care and emergency medical personnel

Additional clinics for the other priority group will be scheduled at a later date.

These clinics are offered to Putnam County residents only. Proof of residency will be required.

It is important to remember that not everyone will be affected by the flu (seasonal and H1N1) and most people who become ill will get better at home. H1N1 flu symptoms include fever, cough, sore throat, runny or stuffy nose, body aches, headache, chills and fatigue. Some people also experience an upset stomach and diarrhea.

If you have H1N1 symptoms, stay home for at least 24 hours after your fever has gone without the use of fever reducing medicine and limit contact with others. Get plenty of rest, drink fluids and take over-the-counter medicine for pain and fever, but never give aspirin to children or teens.

Simple steps can help prevent you from getting the flu. To stay healthy, follow the three "C's":

- Clean - Wash your hands often with soap and water or use hand sanitizer, especially after coughing or sneezing.
- Cover - Cover your cough and sneezes with a tissue or your sleeve instead of your hands. This can help prevent the spread of germs.
- Contain - Contain your germs by staying home if you are ill. When possible avoid being around people who are sick.

In addition, take care of yourself by eating healthy foods, getting enough sleep, exercising and drinking plenty of water.

For more information on the flu visit www.flu.gov www.cdc.gov.

Rotary Offers Youth Exchange Opportunities

Local students between the ages of 15 and 19 as of next summer will have the opportunity to participate in Rotary International's "Short Term" Youth Exchange Program, sponsored by the Granville Rotary Club. Those accepted for STYE participation will be paired with students in foreign countries, each to spend half the summer with the other in that student's home. Typically, students spend the first four weeks of the summer with their counterpart overseas, and then both return to spend the next four weeks here.

Granville Rotary will cover the \$200 application fee for two of the students who apply, with priority given to students who are active in the PCHS Interact Club or otherwise participate in community volunteer service. Other costs include attendance at an orientation meeting in the spring, international air travel, spending money, and hosting the foreign student while here.

Application forms are available on-line at www.rotary.org and may be submitted to the local Club by January 1. Final acceptance depends upon suitability of the applicant and availability of an appropriate match with a participating Rotary Club overseas. If a match is confirmed, the final schedule for the exchange is arranged between the reciprocating host families.

Rotary International is a world-wide non-profit organization with Clubs in 168 countries, promoting community, vocational, and international service, understanding and good will. For more information, contact Club President Lorraine Terando at 339-2279 or STYE District Chairman Scott Shore at 339-2398.

Local Artists Bring Home the Blue Ribbons

Pictured are father and daughter, Jim and Aubrie Wall, of rural Granville with their carvings from the Valley Carvers Show at Starved Rock State Park.

Jim and Aubrie Wall of rural Granville, have competed in both international and national carving competitions this year.

At the 21st Annual Valley Carvers show and competition held at Starved Rock State Park, Jim and Aubrie earned three blue ribbons. The competition part of the show has 22 different categories with over 35 groups in which to compete. Jim won two blue ribbons with his stylized and impressionistic pieces. Aubrie won the miscellaneous category with her unique design of the State of Illinois and the 4-H symbol made from walnut and hard maple. The show had about 150 competition pieces and 40 exhibitors.

Jim also competed at an international show at the end of June in Bettendorf IA. He won the impressionistic class with his original design. The show was a weeklong competition which was opened to the public for viewing the week after. The international show consisted of over 500 competition pieces from beginners to professional carvers from different countries.

Jim and Aubrie belong to a carving club in Ottawa, Valley Carvers Association, where they have learned to develop their art. Jim has been carving for 20 years, starting with ducks and birds, and is now making his mark with impressionistic works. Aubrie has been carving for the past 10 years, starting with projects for 4-H, and has moved on to open class competition.

Anyone interested in wood carvings and sculptures, feel free to contact Jim and Aubrie for more information at 815/339-2163.

PCHS to Hold Veteran's Day Observance

The public is invited plus all military veterans and spouses to PCHS's Veteran's Day Observance beginning at 9:30 a.m. Light refreshments will be enjoyed at 8:30 prior to the program. Guest speak is State Representative Frank J. Mautino. There will be a roundtable discussion with the American History students moderated by Corey Meyer. Please contact the school at 815/882-2800, X4 to let us know if you can attend.

Studs Terkel Award

The Illinois Humanities Council (IHC), in conjunction with Illinois mayors, is proud to announce the recipients of the 2009 Studs Terkel Humanities Service Awards. This award, now in its 10th year, recognizes individuals who have made a lasting contribution to the cultural life of their communities.

These 44 local "humanities heroes" were selected by their mayors for their exemplary efforts to champion the humanities in their communities, from Carbondale to Chicago and from Savanna to Springfield. Many of these recipients were involved in creating awareness about local or regional history in their communities through the establishment of historical societies or museums. Others were noted for their outstanding dedication to education, formal and informal; to literacy and library programs; and to creating awareness for cultural heritage, music, literature, and the arts.

"The IHC could not have identified the more than 40 Studs Terkel medallists without the help of Illinois mayors and village presidents," said IHC Executive Director Kristina A. Valaitis. "We are so pleased that in the 10th year of this program, we are able to honor these champions of the humanities that make their communities and our whole state more vibrant."

The awardees of the Studs Terkel Humanities Service Award will receive an engraved medal of recognition at ceremonies held in their communities throughout the fall. The medals are struck in solid bronze by the Medallic Art Company—the company that makes both the Pulitzer Prize and the Peabody Award—and engraved with the names of the recipients and their communities. Please contact the Mayor or Village President's office for local ceremony dates and times.

John Shimkus of Granville was the Putnam County Awardee.

Ashley Bean Speaks at Legion Auxiliary Meeting

Ashley Bean

Ashley Bean, Illini Girls State Delegate for 2009 spoke at a recent meeting of the Granville American Legion Auxiliary, sponsors of her week at Eastern IL University during June. She described her experience as "awesome" and was delighted with all aspects of the program. She spoke of the new friends she made and stays in contact with as often as possible. One of the aspects she especially reported appreciating was instruction on the IL election process, including procedures for voting.

Ashley thanks the Granville Unit for selecting her as their delegate and promised to

provide future delegates with her experiences during her week at EIU in Jacksonville. Ashley is a senior at PCHS and resides in Mark with her parents and two brothers.

Thanks to Everyone

Newsletter from the PC Schools Superintendent

by Jay McCracken

As superintendent of our Putnam County Schools, one of my responsibilities is to provide information regarding our school report card to the Putnam County community. The Illinois State Board of Education publicly released the school and district report cards on the morning of October 30 when they were posted on the I.S.B.E. website. In this district newsletter, I will highlight pertinent information regarding these state assessments.

Statewide, the number of schools making Adequate Yearly Progress (AYP) continues to decrease. Of course, this is no surprise to educators because the gains that are made in schools are just not enough to keep pace with the increasing performance targets. As stated recently by our State Superintendent of Schools Christopher Koch, "This truly highlights one of the many reasons to reform No Child Left Behind."

In Putnam County, our elementary and junior high students demonstrated very strong assessment scores on the I.S.A.T. tests. 93.1% of our Putnam County Elementary students met or exceeded the Illinois Learning Standards in the Spring of 2009. At the Putnam County Junior High School, 85.1% of our students met or exceeded the standards when taking the I.S.A.T. assessments. I congratulate our students, staff, and administration for these outstanding results. Both of these schools individually made Adequate Yearly Progress.

46.4% of the students taking the P.S.A.E. (Prairie State) at Putnam County High School met or exceeded standards. While this indicates that the high school and the overall district did not make A.Y.P., we need to remember that the P.S.A.E. is a very different assessment than the I.S.A.T. tests. As the old saying goes, "That is like comparing apples to oranges." Of course, we are not complacently accepting lower performance scores, and the high school staff and administration are working diligently to address this situation to help our students improve academic achievement. Guided study halls and targeted interventions have been implemented to provide our students greater opportunities to meet success. The Response to Intervention (RtI) process should help address our students' needs, leading to improved academic achievement for our P.C. students.

The teaching staff, administrative team, and the Board of Education continue to examine innovative ways to raise student achievement, not only on the standardized tests. We collectively remain dedicated to the cause of our district mission—"Where all students will learn and succeed and all means ALL."

Never put a period where God has put a comma. *Gracie Allen*

**Malavolti Chiefs Devote
65 Years to Naval Service**

On October 31 in Bremerton, Washington, Aviation Boatswain's Mate Equipment Senior Chief Petty Officer Fred D. Malavolti retired from the Navy with 23 years of faithful service. He along with two brothers, also retired Navy, Aviation Structural

Mechanic Chief Petty Officer Steven O. Malavolti and Aviation Machinist Mate Chief Petty Officer Gregory S. Malavolti, marked an end to a impeccable journey of proud family service to the country and the U.S. Navy.

The sons of Robert (Teddy) and Fay Malavolti were raised on the family farm just south of Hennepin and enlisted in the service just after graduating Putnam County High School to embark on a new life. They didn't know what to expect or how long the endeavor would be. All three brothers acknowledge their parents hard work of respect and morals which enabled them to exemplify the Navy Core Values of Honor, Courage, and Commitment. They excelled throughout their careers and tours of duty, while at the same time seeing the United States and places such as: Alaska, Africa, Australia, Canada, Egypt, Germany, Greece, Hawaii, Japan, Korea, Middle East, and Spain just to name a few. Their service years also included support during the Cold War, Operation Enduring Freedom, Operation Desert Storm, Operation Iraqi Freedom and Global War on Terrorism. With all three of their service years combined, they have accumulated 65 years total with 6000 flights hours, and 17.5 yrs of sea time on board 14 different naval ships.

A retirement ceremony was held for Fred with his family, friends, and sailors of the USS John C. Stennis on August 28. This acknowledged his naval achievements and personal awards attained during his naval career. During the ceremony, Fred thanked his fellow Chiefs and Junior Sailors for making him successful and being a part of his day. He also noted the Malavolti name was no longer found on the Navy email listing and it would be up to his nephew, Justin Malavolti, to keep the name alive if he chooses to enlist.

For post Navy life, Fred resides in Marysville, Washington, with his wife, Sayuri and his three daughters. He plans to work at Bremerton, Wa. for AMSEC LLC as a Consulting Field Engineer for Ship Catapults and Arresting Gear Systems. Steven served 20 years and retired on August 31, 2004 and now resides in Hennepin with his wife, Mary Terando-Malavolti and her daughters and his son. He is currently the Inside Sales/Operations Manager at Industrial Semiconductor Inc. and teaches Electronics at Illinois Valley Community College. Gregory retired on October 31, 2006 with 22 years of service, and resides in Macclenny, FL with his wife, Donna and his daughter. He is employed at Eagle Crest, Inc. and is the Custom Sales Account Manager for the company. All three brothers cherish memories they have made and challenge our future young adults to serve proudly and see the world. Even today after they stand relieved, their answer to the old question, "How long have you been in the Navy?" would be, "All me bloomin' life!" Fair winds and following seas, the Malavolti Chiefs have gone ashore.

Hear His Word

Thanksgiving Renewal

Because the season of Thanksgiving is around the corner, I thought it would be appropriate to pause and reflect on what to be thankful for at this time of year; we know that it has been a hard year because of the down-sizing of industry and business, unemployment in Putnam County is at 15%, and the farmers cannot harvest the corn crop because of the rain. In other words, do these seem foreboding times in which to celebrate Thanksgiving this year? Then an extra measure of thankfulness is needed from us as we gather in homes and churches for Thanksgiving. For what better way to give ourselves a nudge than by lifting our spirits? What better way to lift our spirits than by pausing to remember to give thanks for the very gift of life?

"Are we really grateful for the good already received?" asked Mary Baker Eddy. "Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more."

This is not a call for grin-and-bear-it optimism. Indeed religious thinkers from time immemorial have recognized the power of praise to invigorate courage and quicken resolve. Political leaders, too, have stirred people to uncommon achievement by turning their thoughts from the burdens at hand to the possibilities beyond. Recall how Franklin Delano Roosevelt, at a time of national desperation, buoyed the nation by declaring that the "only thing we have to fear is fear itself, nameless, unreasoning, unjustified terror which paralyzes needed efforts to convert retreat into advance."

Psalm 92:1-4 reads: "It is a good thing to give thanks to the Lord...to declare your steadfast love in the morning, and your faithfulness by night...For you, O Lord, have made me glad by your works, at the works of your hand I sing for you."

This is where gratitude comes in, as expressed by Mary Baker Eddy and in the Psalm passage. It helps to keep a perspective on problems, dispels gloom, and revives hope.

For us to remember the good in our lives is not to forget or ignore the nation's difficulties: the millions of jobless, the business failures, the idled factories. Indeed gratitude finds its highest expression in the heart's embrace of all those who are in need, who are discouraged, and who do not know where to turn. The opportunity of this thanksgiving season will be lost if it does not find all of us reaching out to each other with a special measure of caring and giving.

Such generosity can be anchored in a recognition of the divine source of all good. With the great Giver and Creator at the helm, we can look forward to peace and continued blessings. May all families of Putnam County have a blessed Thanksgiving this year.

Crooks & Creeps

Excerpts From A New Book by Greg Stanmar

Bob Packwood

There's no wrath like a woman groped and former Republican U.S. Senator Bob Packwood had a whole bunch of them mad at him.

When he finally threw in the towel in 1995 that did not end the matter. The National Women's Organization was still angry that it didn't get a peek at his diary. The diary was what brought down the Oregon head of the powerful finance committee. The ethics committee wanted the diary as it investigated complaints of Packwood's relations with women and his propensity to listen too earnestly to lobbyists.

Packwood did what every diarist wishes they could do with the comments that end up in other hands—he altered them. His editing nearly landed him criminal charges of interfering with evidence.

His trouble began in 1992 when the then 60-year-old, having just narrowly won re-election beating the NOW-endorsed candidate, became the subject of a Washington Post article about woman associates accusing him of harassment and, in some cases, sexually assaulting them. Eventually, at least 29 women went public with the accusations.

His political incorrectness may have been overlooked until politicians also began worrying about his encouragement of lobbyists with their open wallets.

His altering of the diary, which could have detailed some of the more lurid or crooked dealings, was enough for the ethics committee to bring a unanimous decision to seek his removal. The senate voted along party lines not to make the deliberations on removal a public meeting. Packwood quit before senators could talk about him behind closed doors.

Packwood was born in Portland, Oregon and received his law degree in 1957. Five years later he took his first elective office in Oregon's legislature. Later, he crossed the continent after his win against Senator Wayne Morris. He racked up four six-year terms before nasty rumors finally were confirmed by reporters.

After leaving the senate Packwood decided to use his knowledge of lobbyists to form his own company, Sunrise Research Co. The most notable accomplishment of that company was to help repeal the estate tax.

Conservation Notes
Marshall-Putnam Soil & Water
Conservation District
Henry, IL • 309/364-3913

•• America Recycles Day - November 15

The Marshall-Putnam Soil and Water Conservation District wants you to know that America Recycles Day is November 15. This is a nationally recognized day to promote recycling. Recycling is an important link in preserving our resources for ourselves and future generations.

Conservation efforts to better our environment always begin at home and always start in small ways. Small actions can make big differences. For instance, just one aluminum can recycled will save enough energy to power a TV for 3 hours. Every three months Americans put enough aluminum in landfills to rebuild an entire commercial airline fleet! The average American has the opportunity to recycle approximately 25,000 cans over a lifetime according to the National Recycling Coalition. These small daily actions add up over time, it is important to make wise daily decisions that take into account our future.

Recycling is good for the economy and environment, creates jobs, reduces waste, saves energy, saves landfill spaces, reduces pollution and protects wildlife. The top items to recycle are aluminum, plastic bottles, newspaper, corrugated cardboard, steel cans, glass containers, magazines, mixed paper and computers.

According to the Marshall-Putnam Recycling Coordinator, Suzanne Miske, there are recycling drop centers east of Lacon on IL Rt. 17 behind Ruppiper Equipment and in Granville next to the water tower. North Central Illinois Council of Governments (NCICG) has information on recycling for Marshall and Putnam counties and you may visit their website at <http://www.ncicg.org/> for more information.

For more information on recycling in Illinois you can visit the Illinois Department of Commerce website at <http://www.commerce.state.il.us/dceo/> (then click on Business Assistance then Energy & Recycling). Additional information may be found at <http://www.americarecyclesday.org/> or <http://www.illinoisrecycles.org/>

The Marshall-Putnam Soil and Water Conservation District is a local unit of government housed in Henry which administers programs to help people improve and sustain our natural resources. The District encourages farmers and individuals to make wise conservation choices, not only on America Recycles day but every day. If you know of an organization or classroom that would be interested in a presentation on recycling please call the Soil and Water office at 309-364-3913 ext. 3.

Hi:
Happy New Year! No, I'm not losing my mind. October starts our new funding year at the center. We have had a great and successful year thanks to all that have donated and supported the center.
Mark your calendar for Saturday, November 7 for our annual Fall Bazaar from 10 a.m. until 2 p.m. This year we have homemade noodles, and raviolis. We still will have candy and fruit pies as in previous years. There will also be many other baked items. Lunch will be available with BBQ, chips, deserts, drink and soup. There will be a money drawing, Wii giveaway, silent auction of a variety of themed baskets and our new and improved gift shop will be open. This is a big fundraiser for the center so come on over to the center.
We have a new board president, Jan Ringenberg, from Magnolia, Linda Bean from Granville as VP, Sandy Woest of Magnolia as secretary and Angela Troglio from Mark as treasurer. Ed Giuliani is Site Council president, Virginia Hagberg is secretary, Joyce Epley is VP and Jean Skutt is treasurer. Advisory Council Chairperson is Loretta Schrowang.
We still have a few openings on the bus for the Circa '21 dinner show in Rock Island

on Sunday, November 15. We leave the center at 1 p.m. and the cost is \$63 each. Call 815/339-2711 to book a seat.
We have a lot of interesting programs and events coming up this year and would like to invite residents that are 60 and better to come and participate in them. We also need part time drivers to take seniors to doctor appointments. If you can give a couple of hours for this, just call the center to sign up and we pay mileage.
All of us at the Center want to wish everyone a blessed Thanksgiving and don't eat too much turkey!

An important reminder -It is not too late to apply for your 2008 IL-1363 (Circuit Breaker). Applications filed on the Internet are processed faster and since the staff is all part time, please call to schedule an appointment first.
As millions of people in the U.S. continue to lack insurance coverage, many companies are starting to offer discount cards for health care services. Discount cards, or discount plans, are NOT insurance plans, and it is important for consumers to understand what benefits a discount card would offer, and whether those benefits would outweigh the cost of the card. A tip from a quote

from Illinois Attorney General Lisa Madigan "Before buying a health care discount plan, carefully evaluate your health care needs."

2009 Farmland Assessment Notice

The 2009 Farmland Assessments in PUTNAM COUNTY will be calculated based on the following information supplied by the Illinois Department of Revenue. Public Act 84-1275 limits the annual per acre change in equalized assessed value (EAV) for each productivity index (PI) to 10%. The 2009 formula-generated EAV's are more than 110% of the 2008 EAV's for all P.I's. Therefore the 2009 certified EAV's are exactly 10% more than the 2008 certified EAV's for all P.I's.

Tamara Mehalic, Supervisor of Assessments, Putnam County, Illinois

OFFICIAL PUBLICATION OF REAL ESTATE ASSESSMENTS FOR 2009 HENNEPIN TOWNSHIP PUTNAM COUNTY

The following is a list of real estate assessments in said township for the 2009 assessment year. These assessments have been made by the township assessor and revised or corrected by the Supervisor of Assessments. This publication is made in accordance with Section 12-10 of the Property Tax Code.

Public notice is also hereby given that according to Section 9-205 and 9-10 of the Illinois Revised Statutes, factors have been applied to the following property classes:

Residential - 1.016

Farm Homes and Homesites - 1.016

Rural Residential Lots and Improvements - 1.016

Commercial - 1.016

The assessed values shown below have been equalized by the above factors and are subject to any Board of Review or State equalization to bring locally assessed values to 33-1/3 percent of market value.

The Median Level of Assessments: 33.33%

To determine if your residential, commercial, industrial, farm homesite, or farm home is accurately assessed, divide your assessment by .3333. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over assessed. If the resulting value is less than the estimated fair cash value of your property, you may be under assessed.

You may appeal your assessment to the Board of Review within 30 days of this publication. Complaints must be filed in writing. Forms and rules for filing a complaint are available in the Office of the Supervisor of Assessments located at the Putnam County Courthouse, 120 N. Fourth Street, Hennepin, Illinois, Monday through Friday, from 9:00 AM to 4:00 PM.

Those planning to file a complaint with the Board of Review should be prepared to list at least three comparable properties that are assessed lower than theirs to support a claim of over assessment and to provide other pertinent information. Assessment complaints cannot be accepted after 4:00 PM on Friday, December 4, 2009.

OFFICIAL PUBLICATION OF REAL ESTATE ASSESSMENTS FOR 2009 SENACHWINE TOWNSHIP PUTNAM COUNTY

The following is a list of real estate assessments in said township for the 2009 assessment year. These assessments have been made by the township assessor and revised or corrected by the Supervisor of Assessments. This publication is made in accordance with Section 12-10 of the Property Tax Code.

Public notice is also hereby given that according to Section 9-205 and 9-10 of the Illinois Revised Statutes; factors have been applied to the following property classes:

Residential - 1.0020
Farm Homes and Homesites - 1.0020
Rural Residential Lots and Improvements - 1.0020
Commercial - 1.0020

The assessed values shown below have been equalized by the above factors and are subject to any Board of Review or State equalization to bring locally assessed values to 33-1/3 percent of market value.

The Median Level of Assessments: 33.33%
 To determine if your residential, commercial, industrial, farm homesite, or farm home is accurately assessed, divide your assessment by .3333. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over assessed. If the resulting value is less than the estimated fair cash value of your property, you may be under assessed.

You may appeal your assessment to the Board of Review within 30 days of this publication. Complaints must be filed in writing. Forms and rules for filing a complaint are available in the Office of the Supervisor of Assessments located at the Putnam County Courthouse, 120 N. Fourth Street, Hennepin, Illinois, Monday through Friday, from 9:00 AM to 4:00 PM.

Those planning to file a complaint with the Board of Review should be prepared to list at least three comparable properties that are assessed lower than theirs to support a claim of over assessment and to provide other pertinent information. Assessment complaints cannot be accepted after 4:00 PM on Friday, December 4, 2009.

Tamara M. Mehalic, Supervisor of Assessments
 Putnam County, November 4, 2009

OFFICIAL PUBLICATION OF REAL ESTATE ASSESSMENTS FOR 2009 MAGNOLIA TOWNSHIP PUTNAM COUNTY

The following is a list of real estate assessments in said township for the 2009 assessment year. These assessments have been made by the township assessor and revised or corrected by the Supervisor of Assessments. This publication is made in accordance with Section 12-10 of the Property Tax Code.

Public notice is also hereby given that according to Section 9-205 and 9-10 of the Illinois Revised Statutes, factors have been applied to the following property classes:

- Residential - 1.0217
- Farm Homes and Homesites - 1.0217
- Rural Residential Lots and Improvements - 1.0217
- Commercial - 1.0217

The assessed values shown below have been equalized by the above factors and are subject to any Board of Review or State equalization to bring locally assessed values to 33-1/3 percent of market value.

The Median Level of Assessments: 33.33%

To determine if your residential, commercial, industrial, farm homesite, or farm home is accurately assessed, divide your assessment by .3333. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over assessed. If the resulting value is less than the estimated fair cash value of your property, you may be under assessed.

You may appeal your assessment to the Board of Review within 30 days of this publication. Complaints must be filed in writing. Forms and rules for filing a complaint are available in the Office of the Supervisor of Assessments located at the Putnam County Courthouse, 120 N. Fourth Street, Hennepin, Illinois, Monday through Friday, from 9:00 AM to 4:00 PM.

Those planning to file a complaint with the Board of Review should be prepared to list at least three comparable properties that are assessed lower than theirs to support a claim of over assessment and to provide other pertinent information. Assessment complaints cannot be accepted after 4:00 PM on Friday, December 4, 2009.

Tamara M. Mehalic, Supervisor of Assessments
Putnam County, November 4, 2009

60 YEARS AGO
OCTOBER 13, 1949

Circuit Clerk Balknap Nash sent notice to Circuit Judge Ingram and County Board Chairman Wm. Downey that he was resigning as Circuit Clerk of Putnam County. Mr. Nash had been in poor health for some time and upon advice of his doctor had to relinquish his public duties.

Confirmation services were held for more than 100 children from Cedar Point, Mark, Standard and Granville by Bishop Joseph H. Schlarman of Peoria. It was well attended by parents, relatives and friends in Sacred Hearth Catholic Church in Granville.

The Granville Merchants Association met in the village hall to take stock of the success of the Corn Festival, elect officers for the new association year and make plans for the future. Chairman Julius L. Hansen presided. Earl J. Buhn was elected chairman; Vernon Lamb, vice chairman; Ed Capitani, secretary and E.R. Harris, treasurer.

The Cirillo Ricci family of Mark was happily surprised

to receive a call from San Francisco CA from their daughter, Mrs. Troy Lynn, who had arrived from Tokyo, Japan. She arrived in Mark and planned to spend a two month leave of absence from her work as a stenographer in an army hospital in Tokyo, where she had been stationed almost three years.

BIRTHS: a girl to Mr. and Mrs. Horace Mann of Putnam on Oct. 9; a boy to Mr. and Mrs. Delbert Davis of Florid on Oct. 8; a boy to Mr. and Mrs. John Dion of Chicago on Oct. 6; a boy to Mr. and Mrs. Francis Boyle of Hennepin Twp on Oct. 7; a girl to Mr. and Mrs. James O'Connor of Hennepin on Sept. 29; a boy to Mr. and Mrs. James W. Brown/Campbell Nuptials Announced

"Honor Flight" Recognizes WW II Veterans

Mr. and Mrs. Justin Peter (Angela Jean Brown) Campbell

Angela Jean Brown of Clermont FL became the bride of Justin Peter Campbell, also of Clermont FL on October 3rd in St. Patrick Church, LaSalle by Fr. Patrick DeMeulemeester. Parents of the couple are Larry and Debby Brown of Hennepin and Carol Gizelbach of Davenport FL and Danny Campbell of Croydon, England.

Maid of Honor was Deana Brown and bridesmaids were Tiffany Mennie, Jennifer Nichols and Jennifer Grygiel. Best man was Luis Escohar and groomsmen were Paul Campbell, Patrick Flug and Brandon Mennie. Ushers were Brandon Mennie and Robert Hardy. Flower girl was Nicole Campbell and ring bearer was Dylon Campbell.

A reception followed the ceremony at the Knights of Columbus in LaSalle. After a wedding trip to Gatlinburg TN, the couple are making their home in FL.

The bride is a graduate of Putnam County High School and IVCC. The groom is a graduate of Parkway High School, Bossier LA and DeVry University, Orlando FL. The couple are both employed by Universal Studios, Orlando FL.

PUMA

Wrestling Club

Pre-season meeting: Parents & athletes to attend on Nov. 19 @ 6 p.m. for grades 5-8 at PCHS Cafeteria.

All questions will be answered then. Call Jerry if unable to attend at 815/712-9609.

ArcelorMittal Overseas Ops

The Associated Press put out an article on November 3rd stating that ArcelorMittal, the world's largest steel maker, did not plan to shut down any of its European plants.

The company and workers' reps signed an agreement confirming all plants would be restarted and no compulsory redundancies would take place. The company employs around 15,000 people in Europe but had closed and temporarily laid off workers in France, Germany and Belgium early in the year. As steel orders increased, plants are starting to reopen.

The Luxembourg headquarters had been attacked by French and Belgian workers who were angered by the failure of the company to make a definitive statement.

Nothing was said about plants in the United States.

(Left to Right) Rotarian Matt Hostetter hosted Donald Allison and Keith Baldwin, both of Henry, at Granville Rotary's October 29 meeting at Moreno's on Main in McNabb. The pair are seeking support for "Honor Flight - Quad Cities," hoping to provide local WW II Veterans an opportunity to visit the WW II memorial in Washington DC next Spring.

Donald Allison and Keith Baldwin, two of the local organizers of the "Honor Flight - Quad Cities" Project were hosted by Matt Hostetter as Rotary's guest speaker on October 29, at Moreno's on Main in McNabb. Keith, a

BIRTH

CALLACI - Andrew and Amanda (Hopkins) Callaci became the parents of a son, Emmett Hopkins, on November 2, 2009 at Prentice Women's Hospital, Northwestern University Medical Center, Chicago. Emmet weighed 8 lbs., 1 oz and measured 20 inches at birth. He was welcomed home by big sister, Ella Gladys, 16 months. Maternal grandparents are Arch and Judy Hopkins of Granville. Paternal grandparents are Santo and Kathy Callaci of Barrington.

Veteran of the Korean War, and Donald, who is a Veteran of Vietnam, explained that the non-profit project hopes to provide the means for local World War II Veterans to visit the WW II Memorial in Washington DC, as well as the Korean, Vietnam and Iwo

Jima Memorials and several Washington sights.

The first Illinois-Iowa flights departed from Quad Cities Airport on October 9 and 10, with more flights to follow, including the locally organized trip, as funding allows. The Project is affiliated with the National "Honor Flight" organization, which will provide part of the funding and supports similar area-wide chapters throughout the United States. Personal assistance is given to older veterans by Guardians, veterans of the Korean and Vietnam conflicts. WWII Veterans' travel expenses are covered in full; Veterans of the Korean and Vietnam conflicts are welcome to also participate, for a fee of about \$500 each.

While offering a well-deserved opportunity to Veterans, the Project also provides a unique opportunity for our communities to honor all Veterans, by learning more about their service to our country. Donations are encouraged in honor of those who will participate, and in memory of those Veterans who have passed away.

For more information, or to offer support to the cause, call Keith Baldwin, 309-364-2498 or Don Allison, 309-361-0923.

Maybe Next Year Will be the Year, Cub Fans!

by Darrell Alleman

A lot has changed since the opening homestand at Wrigley Field in April when Ted Lilly took a no-hitter into the 7th inning of the home opener. Milton Bradley started off on the wrong foot when he was ejected and earned his first suspension of the year.

The Chicago Cubs, without a World Series title since 1908 (101 years), finished the 2009 season at 83-78 down from 97-64 last year. The Cubs relieved hitting Coach Von Joshua of his duties right after the last game of the season. He can choose to go back to Triple A in Iowa if he likes. I don't understand this thinking; if he did not do the job with the Major League hitters, why have him teach hitting to the organization's young hitters?

The final week of the season after Milton Bradley was suspended and sent home for the rest of the season brought improved chemistry in the clubhouse. The Cubs spent nearly \$100 million the last five years trying to replace Sammy Sosa in right field. In 2005 they gave Jeromy Burnitz \$5 million. He hit .258 and 24 HR. In 2006-07 Jacque Jones, a three year deal for \$16.5 million, and he only lasted two years. In 2008 Kosuke Fukudome, a four year deal for \$48 million and he had a long slump that cost him the RF job, although he is still with the Cubs. This year Milton Bradley signed for three years at \$30 million and was suspended the last week of the season and is now on the trading block.

I think Sammy probably could have done as well as all these ball players. Aaron Miles' two year deal was a mistake. He had only five RBIs for the season and is owed \$2.7 million in 2010, the last year of a \$4.9 million deal. He batted .185. This season was disappointing for him and the Cubs since his career average is .289.

The Cubs team did not make the playoffs this year, but several ex-Cubs did. The Philadelphia Phillies had Jamie Mayor, Scott Eyre, Paul Bako, and Matt Stairs. The LA Dodgers had Juan

Pierre; the Colorado Rockies had Jason Marquis; and the St. Louis Cardinals had Todd Wellemeyer and Mark DeRosa. The New York Yankees had Chad Gaudin, Sergio Mitre and Manager Joe Girardi. The Boston Red Sox had Alex Gonzalez and the LA Angels had Gary Matthews Jr., and Justin Speier. And finally, the Minnesota Twins had Brendan Harris.

The St. Louis Cardinals 1st baseman, Albert Pujols recorded 181 assists for the season; a National League mark for 1st basemen. Pujols surpassed the record held by Mark Grace who had 180 assists for the Cubs in 1990. Bill Buchner, former Cub, holds the Major League record with 184 assists in 1985 for the Boston Red Sox.

The Cub 707 runs this year were 148 fewer than last year. The Cubs .255 batting average this year was their lowest in seven years. They won 46 games at home, losing 34. On the road they won 37 and lost 44 finishing 7.5 games behind St. Louis with 83 wins and 78 losses.

The big Z, Carlos Zambrano, who is a potential 20-game winner, has to learn to control his emotions. He has so much talent and the only thing that keeps him from being a Cy Young winner is from his neck up. He is his own worst enemy. If he could control himself and use his ability, he would be a lights-out pitcher. The 91.5 million, 5 time opening day starter is supposed to be the Cubs best pitcher. Lou Pineilla said "everybody expects more out of him, including himself."

Milton Bradley's hiring has become a large fiasco. There is no way any kind of peace summit would be powerful enough to keep him and make Bradley feel like he is wanted or make manager Lou Piniella feel like he wants him. No one in the Cubs clubhouse wants Bradley back.

Geovany Soto, Cubs catcher and last year's rookie of the year, left spring training for the World Baseball Classic, where he put on weight, tested positive for weed, and staggered into a .109 batting average with a homeless

April that set the tone for the season: average .219, 11 homers and 45 runs batted in. Last year Soto and Soriano hit the combined 52 home runs, drove in 161 runs, drove in 100 runs and scored 91 runs. The Cubs scored two runs or fewer in 53 games this year; more than 1/3 of their games. Injuries and inconsistency hampered the team. Randy Wells, rookie pitcher starter, added pitching depth to the staff winning 11 games and winning a spot in the 2010 rotation. Derrik Lee hit .309, with 35 homers and a career high 111 RBIs. Bobby Seales spent ten seasons and more than a thousand games in the minors before finally getting his big league opportunity at age 31 with the Cubs. I happened to be watching TV when he got his first big league hit in his May 5th debut. He came to play and started at four different positions in 49 games, batting .244 with 13 extra base hits.

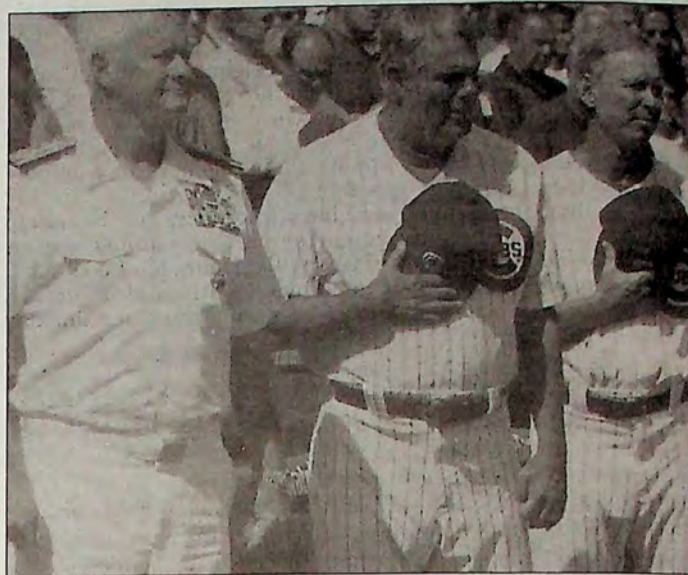

Carlos Marmol replaced Kevin Greg as the Cub closer on August 18th and saved 11 of his 11 save chances since then with a 3.24 ERA and 35 strikeouts in 16 2/3 innings, walking 13. Alfonso Soriano had a really bad season. He hit .241 with 20 homers, finished on the disabled list. He certainly won't lead off next year. He will probably bat 6th and after his knee operation and it returns to full strength, he will be the most overlooked, obvious improvement the Cubs will have made from the '09 opening to the 2010 opener.

The Cubs plan to add at least one hitter, once they find out how much of Bradley's salary someone is willing to take off their hands. This time it doesn't matter whether it is a lefty or righty. He will have to fit defensively in center, right or middle infield. A run producer should be first choice with a top of the order speed guy. Minor League players Tyler Colvin and Sam Fuld are prospects worth watching. In addition to Carlos Zambrano, Ted Lilly, Ryan Dempster and Randy Wells in the rotation, Tom Gorzelanny probably will win the 5th spot battle

over Jeff Samardzja and Sean Marshall. Manager Lou Pineilla said our pitching is pretty well settled. Cub free agents OF Reed Johnson, RH John Gaalow, R hander Kevin Gregg, LH Rich Harden, and OF Sotazuchi. Andrew Blanco, Cub infielder, is their best defensive infielder.

winning season you have to work hard, stay healthy, and have some luck."

Four Star Navy Admiral, Timothy Keating, was the Cubs honored guest on September 11th for the First National Day of Service and Remembrance. Admiral Keating was in the Pentagon

Pictured above L-R are Four Star Admiral Timothy Keating, Cubs manager Lou Pineilla and Cubs Bench Coach, Alan Trammell on Sept. 11th at Wrigley Field.

Tom Ricketts and his family have bought the Cubs baseball team and Wrigley Field for \$845 million from the bankrupt Tribune Co. The Tribune bought the Cubs in 1981 from Wm. Wrigley Jr. for \$20.5 million. Cub's manager Lou Pineilla plans to do some fishing and golfing and spend time with his family at his home in Tampa this winter. In his first two seasons the Cubs were swept twice out of the playoffs in the first round. Lou said, "This year we had a longer time to know we were going home. When it happens in the playoffs, it happens suddenly. Look, it's never easy, it's also easy to lose in baseball and it's hard to win. Look, to have a

on 9/11/01 in a room with about 30 young Navy sailors. He left that room, and right after that, American Flight 77 hit the Pentagon. He lost 24 kids who he was doing Navy operations with. He remembers them everyday.

In 1945, the last time the Cubs reached the World Series, Billy Sianis placed a curse on the team after his goat was denied entrance to Wrigley Field. That was 64 years ago and in June of that year I saw my first Cubs game and Wrigley Field. Maybe next year, the 102nd year since the Cubs won a World Series, will be the year - just maybe.

PC Schools Achievements for October

Kindergarten Celebrates the 50th Day of School!

If you walked into Putnam County Primary on Tuesday, October 27th you may have had a flashback to the 1950s. Our Kindergarten students and teachers celebrated the 50th day of school by dressing in 50s style clothes and celebrated with a good old fashion sock hop! Rootbeer floats and cookies were served as students danced to 50s music, participated in hula hoop contests and even watched their teachers in a bubble gum blowing contest. It was tons of fun. Of course this day could not have been made possible without the generous help and donations of many Kindergarten parents – thank you. A special thanks to PC Foods of Granville, Hennepin Food Mart, and Hyvee of Peru for their generous donations of ice cream, rootbeer and balloons. Thanks to everyone who made this day a rockin' good time!

PCES Honor Roll Announced

Fifth grade students at Putnam County Elementary School earning Honor Roll status during the first nine-weeks were: (5A) Trevor Zellmer, Nathaniel Welch, Carolyn Taylor, Kyle Leitner, Grace Lamboley, Macie Adams, Victoria Burlingame (5B) Megan Lund, Kazia Holmstrom, Nathan Flack, Grant Halbleib, Ally Phegley, Mac Papini, Jarod Williams, Zachary Hartman, Megan Wagenknecht (5C) Corey Baxter, Katy Bouxsein, Katie Cimei, Cassie Copeland, Alexis Dauck, Jade Hansen, Ashley Johnson, Olivia Morris, Samantha Smith, and Dominic Smoode.

High Honor Roll students were: (5A) Connor Taylor, Drew Sudaj, Austin Snider, Abby Ossola, Owen Mallery, Ty Lenkaitis, Victoria Garrido, Noe Flores, McKenna Downey, Joe Cyr, Mitchell Aimone, (5B) Hannah Hundley, Seth Carlson, Jacob Dudek, Jon Sabotta, Mackenzie File, Kaitlyn Goetsch, Connor Bean, Bella Wroblewski (5C) Mackenzie Elmer, William Faletti, Derek Glenn, Christian Harris, Keila Petersen, and Michael Zimmer.

Congratulations Students!

Rock in Prevention

Rock in Prevention provided substance abuse programs for the Putnam County Primary and Elementary Schools on Friday, October 23rd. The Putnam County High School students participated in the program presentations.

Rock in Prevention used music and the arts in a persuasive way to reach the hearts and minds of the students. The goal of the programs was to help the children make positive, healthy, life choices. Rock in Prevention taught the children about life skills, problem solving, anger management, drug awareness and character education in hope that these skills would improve their academic achievements and desires to live their lives to the fullest potentials.

Ghoulish October Character Counts Assembly

October's Character Counts assembly held on October 30 was an enormous collection of Halloween Characters; vampires, witches, super heroes, sports stars, hippies, emergency personnel, and countless others. The last Friday in October has been an exciting day in recent years.

Students are in attendance for only a half-day. The morning begins with the normal routine of academic activities in the classroom. At mid-morning everyone's attention turns to more celebratory activities. Everyone gathers in the gym for the monthly Character Counts assembly where students are applauded for the good choices they have made for themselves and their school. This year, after a five year lapse, fifth grade Honor and High Honor Roll students were recognized as well. The annual Halloween Parade follows the program. Yes, PCES did have its Halloween parade this year. The inclement weather did make for a small audience along the parade route. However, the boys and girls had fun and no one caught more than a few raindrops along the abbreviated walk. After brief classroom parties, students boarded the buses for home as teachers met for a continuing education program. PCES teachers joined their elementary colleagues at the new primary building in Granville.

Lucky winners of the monthly Catch-Me-Can drawing were: John Kazmierczak, Nathan Staler, Jarett Baxter, Kendall Owens, Emma Cyr, Terra Miller, Abby Ossola, Hannah Hundley, Justin Byrne, and Devin Jones.

Congratulations students!

"We're Seeing Stars" PCHS Spirit Week Success

Pictured at left are Christine Mattern who was crowned Sadie Queen and Dominic Passini who was crowned Sadie King during Spirit Week at PCHS.

CONGRATULATIONS TO CHRISTINE AND DOMINIC REIGN ON!!

Putnam County High School held Spirit Week the week of October 26th through November 1st. The weeks events were hosted by the music department and included dress up days, a Karaoke contest, Olympic class competitions, shopping cart float competition, Swing Show, Coin Wars change competition, Food Pantry food drive and the Sadie Hawkins Dance. The theme for Spirit Week was Hollywood "We're seeing stars" as a way to highlight every student at PCHS.

Each event during the week earned the students points for their class in the battle of the classes to win Spirit Week. Each class earned points for dress up days, all competitions and participation in the events. The winning class for the week gained bragging rights and their class representatives crowned as Sadie King and Queen. The 2009 Sadie Court included: Freshmen: Claire Griffith and Justin Pettit, Sophomores: Leah Rolando and Shawn Conerton, Juniors: Christine Mattern and Dominic Passini, and Seniors: Jessica Baker and Alonzo Khouaja. The junior class won Spirit week and Christine Mattern was crowned Sadie Queen and Dominic Passini was crowned Sadie King.

The spirit of competition brought out the best in PCHS students when totals came in for the Coin Wars donations and the Food Pantry food drive. Students donated a total of \$750 for Coin Wars which will be donated to a community member fighting cancer. The students also brought in over 2,000 items for the Putnam County Food Pantry. Congratulations PCHS students on stepping up and helping others in the community!

Congratulations . . .

Questions Answered About the Upcoming 2010 Census

The following information was taken from the U.S. Census Bureau's official website:

What: Count

The census is a count of everyone residing in the United States: in all 50 states, the District of Columbia, Puerto Rico and the Island Areas.

Who: Everyone

All residents of the United States must be counted. This includes people of all ages, races, ethnic groups, citizens and non-citizens.

When: Every 10 years

Every 10 years, and the next census occurs in 2010. Census questionnaires will be mailed or delivered to every household in the United States in March 2010. The questions ask you to provide information that is accurate for your household as of April 1, 2010.

The Census Bureau must count everyone and submit state population totals to the U.S. President by December 31, 2010.

The first Census was conducted in 1790 and has been carried out every 10 years since then.

Where: Everywhere in the U.S.

The census counts everyone residing in the United States: in all 50 states, the District of Columbia, Puerto Rico and the Island Areas.

People should be counted where they live and sleep most of the year.

Why: The U.S. Constitution (Article I, Section 2) mandates a headcount of everyone residing in the United States. The population totals determine each state's Congressional representation. The numbers also affect funding in your community and help inform decision makers about how your community is changing. More info...

How: The Census Bureau will mail or deliver questionnaires to your house in March 2010. We will mail a second form to households that do not respond to the initial questionnaire.

Households that still do not respond will be called or visited by a Census worker. (Census workers can be identified by a census badge and bag.)

Did You Know?

In 1790, the first census

was taken by U.S. marshals on horseback and counted 3.9 million people. Census 2000 counted more than 281 million people.

Mr. Larry Good of Chamlin Engineering told the board he had nothing to report for this meeting.

Charles Helmig, Village Attorney read Ordinance #565 increasing Death Certificate fees. It will be addressed at the next meeting. He also read an Ordinance concerning ATV and golf carts for use on Village property and roadways. A valid driver's license would be required, and a sticker purchased yearly from the village. It will be voted upon at the next meeting with fee for stickers and cost of fines for violations. He asked to speak to the board in executive session about possible litigation.

Steve Haun, zoning and building officer told the board in October he had issued two

permits; one new home and one shed building and a home on Tomlinson has been removed.

Kevin Moore presented three bids for the sale of the 2002 Crown Victoria Squad Car. Motion by Pettit, second by Norris to sell the 2002 squad car to Tri-County Auto in Standard, Illinois at the highest bid of \$1,150.00. All Trustee voting aye.

Committees were called. Jim Pettit presented the proposed water sewer rate increases. This was the line item in the 2008-2009 audit which showed a loss. It was the consensus of the board to have Mr. Helmig draft the changes in a new ordinance. This will be published when approved. Randy Borio asked about the street sweeper for the fall. It will be done when scheduling is possible.

President Gimbald thanked the following helpers for the Halloween parade and party: Tracie Haage, Peg Gonet, Trisha Gimbald, Linda Carboni, Michelle Carboni, Michelle Haage, Kathy Sanders and Kathy Bohn. Karen Karczewski, and Pastor Ron McNeill, along with the UCC Youth Group, helped with the games for the little trick or treaters with a special thank you also to them. He read correspondence; a thank you from Project Santa donation, and thanks from PC Wellness After School Program donation. IVAC after hours Tuesday November 10.

Garbage pick up for the Thanksgiving week will be Friday, not Thursday, of that week.

He once again asked everyone to fill out the census report when they receive it as it is safe and very important to have a full report of all residents.

Motion by Borio second by Pettit to go to executive session. All Trustees voting aye. Motion by Pettit second by Borio to come out of executive session. All Trustees aye.

Motion by Pettit, second by Borio to adjourn. All Trustees voting aye.

Crooks & Creeps

Excerpts From A New Book by Greg Stanmar

Adam Clayton Powell

Anyone who watches crime shows on television knows it's not wise to flaunt your ill-gotten gains or dishonest lifestyle. For Adam Clayton Powell, Jr. it became even an embarrassment for his loyal low-income Harlem constituents, who eventually took his job away from him two years before his death in 1972.

The memory of his misappropriated funds, long court battles over them, and his inability to show up for work eventually forgotten and the good things in that handsome and charismatic man's life were remembered enough to get a Harlem boulevard and state office building named after him.

So who was this saint-turned-villain-turned-saint? He definitely inherited some good genes for talent and ambition. His father, whose father prob-

ably was the massah or white relative owner of his, missed being born into Virginia slavery as a mulatto by a few months. Instead of being beholden to a white man, Powell Sr. picked up divinity degrees at Virginia Union University and Yale, going to New York City to head the Abyssinian Baptist Church in 1908, the same year his son, Adam Clayton Jr., was born. Powell Senior was 43 at the time.

The father was regarded as one of the most successful black leaders long before the integration fight was recognized nationally.

All this laid a good foundation for Junior to take over the church, which he did after going through Colgate and Columbia universities. But Adam Junior openly said he ignored a lot of what the bible had to say, preferring instead a life of drinking, smoking and good sex that did not always include his wife.

After becoming New York's first black councilman, Powell Junior became one of the first black northern congressmen to take a seat in Washington, something he held for 12 terms.

He rose in seniority to chair the education and labor committee with its countless millions to distribute.

All this was done without spending a lot of time at his office. Colleagues began questioning this and some staff paychecks that ended up in his pocket as well as hints of tax fraud.

When his associates refused to seat him in 1967 because of his excesses, Powell took the case to the U.S. Supreme Court, which agreed with Powell but made him pay back \$25,000 in kickbacks. Voters finally had enough and in 1970 kicked him out. He died two years later of prostate cancer at 63.

Those genes, by the way, seemed to find the moral compass again, with his offspring becoming respected educators and politicians.

NCB to Offer Scholarship

North Central Bank announces a scholarship competition that enables Illinois high school seniors to enter a statewide essay-writing contest. It is all part of a program sponsored by Illinois community banks and the CBAI Foundation for Community Banking to increase public awareness of locally owned banks and their contributions to the community.

A scholarship in the amount of \$1,000 a year for up to four years of higher education will be awarded to the author of the best essay submitted to the CBAI Foundation by a participating Illinois high school senior. Up to 12 additional \$1,000 awards are available in each of the regions of the state. An additional \$500 will be awarded to the high school of the overall winner.

North Central Bank will also be offering up to \$500 as a local scholarship award. The same entries sent to the state competition will be judged locally.

The bank is encouraging all local high school seniors to submit short essays on the following theme:

What I like most about my community bank.

Information on the contest is available at North Central Bank and the local high schools. Entries must be submitted to the bank by January 22. The bank will then submit selected entries to the CBAI Foundation to be eligible for statewide competition.

Based in Springfield, CBAI is a professional association that represents approximately 480 Illinois-chartered banks and thrifts throughout Illinois.

Hennepin Fall Food Drive

The Hennepin Business & Betterment Association is sponsoring a fall food drive on Saturday, November 14th. Hennepin & Hopper Lakes Undergo Rehab, Carp Removal

To begin the rehabilitation, TWI has turned on the drainage pump at the south end of the lakes, sending lake water into the Illinois River. Draining the lakes alerts the reptiles and amphibians to move to new habitat. Dr. Gary Sullivan, TWI's senior restoration ecologist, said he expects most of the turtles, snakes, frogs, and salamanders to survive and return when the lakes refill next year.

By electrofishing near the pumps, Herndon and his crew will be able to rescue some of the game fish still in the lakes. Fisheries staff will hand-select the desirable fish and move them into the river. As the final step to removing carp, IDNR fisheries staff will apply rotenone in early spring. Rotenone is a natural extract from the roots and stems of a tropical plant and has been used since the 1930s for managing invasive fish populations.

Because rotenone decomposes rapidly in sunlight, Herndon expects to restock the lakes within 2-3 weeks after the rotenone application is complete. As the lakes naturally refill with groundwater and precipitation, they will be a fertile nursery to young game and native fish stocked by IDNR, including largemouth bass, black crappie, bluegill, northern pike, walleye, and sauger. Herndon said he also will stock native species such as starhead topminnow and redspotted sunfish. Herndon expects the fish to grow rapidly in the recharged food web of the restored lakes.

Cyclones Finish Final Season Game at Home

The Marshall County Cyclones Squirt Team traveled to Peoria's Sterling School to take on the East Peoria Raiders on Saturday Oct. 24th. The field was muddy but at least the sun was out. The Cyclones started out on defense. For the whole first quarter it was a back and forth game with neither team making significant progress moving the ball. Near the end of the quarter #91 Thomas Nino made a third down tackle in the backfield to force fourth down for the Raiders.

With the Cyclones still on defense in the second quarter, #9 Bryce Welsh made an outstanding tackle on the near sideline to prevent a big run by the Raiders. The Raiders decided to run the other way and broke away down the far sideline for a 50 yard touchdown run. The score was 6-0 after a failed extra point attempt.

After halftime, the Cyclones came out on offense. After a few plays, #13 Mitchell Frank broke free and ran for 35 yards before being caught. That brought the Cyclones down to the 15 yard line. A few plays later the Cyclones found themselves at the one yard line and #36 Kaile Williams ran in for the touchdown. The score was now 6-6 after a failed extra point attempt.

With the Cyclones back on defense and the Raiders starting at their own 40 yard line, the Raiders running back was able to break free down the far sideline for a 60 yard touchdown run. The score stood at 12-6 after the Raiders failed to convert the extra point.

In the fourth quarter the Cyclones attempted a passing play to #5 Olson Drake that was incomplete. After turning the ball over on downs it was #9 Bryce Welsh that made two outstanding tackles. The game ended with the Cyclones on offense but unable to put the ball in the endzone to tie the game. The final score was 12-6 in the Raiders favor.

The Marshall County Cyclones Squirt Team plays the final game of their season this week on Saturday October 31 at their home field in Lacon.

•• PC FFA Attends Leadership School

On Oct. 13 some of the PC FFA green hands freshmen and officers took a trip to Roanoke/Benson for LTS Greenhand Convention. After opening ceremonies members and officers were split. Officers went by their offices. Ricky Kinczewski (secretary) and Kyle Kotecki (sentinel) went with Section 5 President Mitchell Daughtery while Hannah Monroe (reporter) went with Section 5 reporter Coral Johnson. They learned how they could improve their chapter by becoming a more effective officer. Other Section 5 officers there were VP Rodney Noe, Secretary Cheyenne Kargol, and Sentinel Katherine Giron. While the officers were at their LTS the freshmen that attended, Nathaniel Overy, Lucas and Tyrell Foocek and Max Boggio were welcomed into FFA and shown the fun side. Strategy games were played. Pizza and lemonade was served by the hosts and to close, State VP Caroline Bremer gave a talk on caring and responsibility. The FFA Advisors held an executive meeting and Mr. Wragge attended.

No COLA Increase for Social Security Recipients in 2010

There will be no cost of living increase for more than 50 million Social Security recipients next year, the first year without a raise since automatic adjustments were adopted in 1975, the government announced Thursday.

Blame falling consumer prices. By law, cost of living adjustments are pegged to inflation, which is negative this year because of lower energy costs. Social Security payments do not go down, even when prices drop.

The Obama administration, meanwhile, is pursuing a different way to boost recipients' income. On Wednesday, President Barack Obama called for a second round of \$250 stimulus payments for seniors, vet-

erans, retired railroad workers and people with disabilities.

The payments would match the ones issued to seniors earlier this year as part of the government's economic recovery package. The payments would be equal to about a 2 percent increase for the average Social Security recipient.

Social Security payments increased by 5.8 percent in January, the largest increase since 1982. The big increase was largely because of a spike in energy costs in 2008.

"Social Security is doing its job helping Americans maintain their standard of living," said Social Security Commissioner Michael J. Astrue.

But, he added, "In light of the human need, we need to

support President Obama's call for us to make another \$250 recovery payment for 57 million Americans."

The Labor Department reported Thursday that consumer prices had declined 2.1 percent since the third quarter of 2008. The cost-of-living adjustment for Social Security, or COLA, is based on the change in consumer prices from the third quarter of one year to the next.

Social Security recipients shouldn't get a raise next year because their purchasing power has already increased with falling consumer prices, said the Center on Budget and Policy Priorities, a liberal-leaning think tank.

"Since the purpose of COLAs is to preserve beneficiaries' purchasing power, the decline in overall prices means that beneficiaries do not need a COLA in January 2010," Kathy Ruffing, a senior policy analyst at the center, wrote in a report this week.

Over the past 12 months, gasoline prices have fallen 29.7 percent and overall energy costs have decreased 21.6 percent, the Labor Department said Thursday.

Ruffing noted that government forecasters don't expect consumer prices to return to 2008 levels until 2011.

Some advocates for seniors, however, argue that older Americans spend a disproportionate amount of their incomes on health care costs,

which rise faster than consumer prices.

The lack of a cost of living increase triggers several provisions in the law. Among them, the amount of wages subject to Social Security payroll taxes will remain unchanged. The first \$106,800 of a worker's earned income is currently subject to the tax.

Also, Medicare Part B premiums for the vast majority of Social Security recipients will remain frozen at 2009 levels. However, premiums for the Medicare prescription drug program, known as Part D, will increase.

Obama called on Congress Wednesday to approve the second round of stimulus payments, and several key lawmakers said they would.

"This additional assistance will be especially important in the coming months, as countless seniors and others have seen their retirement accounts and home values decline as a result of this economic crisis," Obama said in a statement.

The \$250 payments would go to Social Security recipients as well as those receiving veterans or disability benefits, railroad retirees, and retired public employees who don't receive Social Security. Recipients would be limited to one payment, even if they qualified for more.

The White House put the cost of the payments at \$13

billion. Obama said he would not allow the money to come out of the Social Security trust funds, which would further erode the finances of the retirement program. Social Security already is projected to pay out more in benefits than it collects in taxes in each of the next two years.

However, Obama did not offer any alternatives to finance the payments. A senior administration official said Obama was open to borrowing the money, increasing the federal budget deficit. The official, who requested anonymity, was not authorized to speak on the record.

Senate Majority Leader Harry Reid, D-Nev., said he supports sending out another round of payments, as did Rep. Charles Rangel, D-N.Y., chairman of the Ways and Means Committee, which has jurisdiction over Social Security in the House.

House Speaker Nancy Pelosi, D-Calif., said she would work to "help seniors, veterans, and people with disabilities hit by the worst economy since the Great Depression."

Other lawmakers said seniors shouldn't get the extra payments because the formula doesn't call for it.

"I think it would be inappropriate," said Sen. Judd Gregg, R-N.H. "The reason we set up this process was to have the Social Security reimbursement reflect the cost of living."

Thanksgiving - A History, Then & Now

Thanksgiving Day, or Thanksgiving, presently celebrated on the fourth Thursday in November, has been an annual tradition in the United States since 1863. It did not become a federal holiday until 1941. Thanksgiving was historically a religious observation to give thanks to God, and is still celebrated as such by most religious families, but it is now considered a secular holiday as well.

Most Americans celebrate by gathering at home with family or friends for a holiday feast. Though the holiday's origins can be traced to harvest festivals which have been celebrated in many cultures since ancient times, the American holiday is tied to the deliverance of the English settlers by Native Americans after the harsh winter at Plymouth, Massachusetts and that event has become the pre-eminent foundation story for English North America.

The Pilgrims did not hold a true Thanksgiving until 1623, after a switch from communal farming to privatized farming finally resulted in a larger harvest.[6] Irregular Thanksgivings continued after favorable events and days of fasting after unfavorable ones. In the Plymouth tradition, a thanksgiving day was a church observance, rather than a feast day.

Gradually, an annual Thanksgiving after the harvest developed in the mid-17th century. This did not occur on any set day or necessarily on the same day in different colonies in America.

The Massachusetts Bay Colony (consisting mainly of Puritan Christians) celebrated Thanksgiving for the first time in 1630, and frequently thereafter until about 1680, when it became an annual festival in that colony; and Connecticut as early as 1639 and annually after 1647, except in 1675. The Dutch in New Netherland appointed a day for giving thanks in 1644 and occasionally thereafter.

Charlestown, Massachusetts held the first recorded Thanksgiving observance June 29, 1671 by proclamation of the town's governing council.

During the 18th century individual colonies commonly observed days of thanksgiving throughout each year. We might not recognize a traditional Thanksgiving Day

from that period, as it was not a day marked by plentiful food and drink as is today's custom, but rather a day set aside for prayer and fasting.

Later in the 1700s individual colonies would periodically designate a day of thanksgiving in honor of a military victory, an adoption of a state constitution or an exceptionally bountiful crop. Such a Thanksgiving Day celebration was held in December 1777 by the colonies nationwide, commemorating the surrender of British General Burgoyne at Saratoga.

George Washington, leader of the revolutionary forces in the American Revolutionary War, proclaimed a Thanksgiving in December 1777 as a victory celebration honoring the defeat of the British at Saratoga.

Abraham Lincoln's successors as president followed his example of annually declaring the final Thursday in November to be Thanksgiving. But in 1939, President Franklin D. Roosevelt broke with this tradition. November had five Thursdays that year, and Roosevelt declared the fourth Thursday as Thanksgiving rather than the fifth one. In 1940, in which November had four Thursdays, he declared the third one as Thanksgiving. Although many popular histories state otherwise, he made clear that his plan was to establish it on the next-to-last Thursday in the month instead of the last one. With the country still in the midst of The Great Depression, Roosevelt thought an earlier Thanksgiving would give merchants a longer period to sell goods before Christmas.... Increasing profits and spending during this period, Roosevelt hoped, would help bring the country out of the Depression. At the time, advertising goods for Christmas before Thanksgiving was considered inappropriate. Fred Lazarus, Jr., founder of the Federated Department Stores (later Macy's), is credited with convincing Roosevelt to push Thanksgiving back a week to expand the shopping season.[10]

However, many localities had made a tradition of celebrating on the last Thursday, and since a presidential declaration of Thanksgiving Day was not legally binding, it was widely

disregarded. Twenty-three states went along with Roosevelt's recommendation, 22 did not, and some, like Texas, could not decide and took both weeks as government holidays. Critics termed Roosevelt's dating of the holiday as "Franksgiving."

The U.S. Congress in 1941 split the difference and passed a bill requiring that Thanksgiving be observed annually on the fourth Thursday of November, which was sometimes the last Thursday and sometimes (less frequently) the next to last. On December 26 of that year President Roosevelt signed this bill, for the first time making the date of Thanksgiving a matter of federal law. See 55 Stat. 862 (1941).

Since 1947, or possibly earlier, the National Turkey Federation has presented the President of the United States with one live turkey and two dressed turkeys, in a ceremony known as the National Thanksgiving Turkey Presentation. The live turkey is pardoned and lives out the rest of its days on a peaceful farm. While it is commonly held that this pardoning tradition began with Harry Truman in 1947, the Truman Library has been unable to find any evidence for this. The earliest on record is with George H. W. Bush in 1989.[11] Still others claim that the tradition dates back to Abraham Lincoln pardoning his son's pet turkey.[12] Both stories have been quoted in more recent presidential speeches. In more recent years, two turkeys have been pardoned, in case the original turkey becomes unavailable for presidential pardoning.[13][14]

Since 1970, a group of Native Americans and other assorted protesters have held a National Day of Mourning protest on Thanksgiving at Plymouth Rock in Plymouth, Massachusetts in the name of social equality and in honor of political prisoners.

Putnam County Farm Update

Agricultural Summary

Producers, who are anxious to harvest crops, were again frustrated by weather and field conditions. Abundant rainfall throughout the week again halted most field activities. The continued delays have led to record setting slow harvests in Illinois. Since 1940, this is the third slowest corn harvest on record at 19 percent and the slowest since 1967 when only 10 percent of harvest was complete on November 1. Soybean harvest is the second slowest on record at 35 percent, the lowest since 1941 when 21 percent was harvested at this time. There were only 1.3 days suitable for fieldwork reported.

Topsoil moisture was rated 19 percent adequate and 81 percent surplus. Corn was rated at 62 percent good to excellent, 30 percent fair with 8 percent rated as poor or very poor. Soybeans were rated at 58 percent good to excellent, 30 percent rated as fair, and 12 percent rated as poor or very poor. Temperatures statewide averaged 51 degrees, 0.8 degrees below average.

Statewide precipitation averaged 2.64 inches, 1.89 inches above average.

FFA
The National Organization of Agricultural Students

• **National FFA Convention** was held Oct. 21-24 in Indianapolis IN and students from PCHS who attended were Courtney Wink, Erin Salz, Becky Nielsen, Hannah Monroe, Brittany Griffin, Donnie Miller, Kyle Kotecki, Rick Kinzewski, Jimmy Torres, Matt Wink and Josh Steele. The members had a chance to experience FFA at its finest, attending sessions with light shows, award ceremonies, and keynote speakers like Mike Rowe from the TV show "Dirty Jobs." The members went to a rodeo, a Toby Keith concert, and visited the historical Indianapolis Speedway. Members who go to the Convention are unsurpassed by any other youth organization. The National Convention shows just how great the organization can be with another successful trip this year. Mr. Wragge was also a part of the National Convention saying, "the National Convention is a highlight of agricultural education, with 40,000-50,000 FFA members."

PCJHS Announces 2009-2010 Farnsworth Essay Contest Winners

Pictured above (L-R) are the 2009-2010 Farnsworth Essay Contest Winners: Nathan Ward, Michael Weide, Riane Wroblecki, Kate Kazmierczak and Loralee Wilson.

PCJHS proudly announces the 8th grade winners of the annual Farnsworth Essay Contest. This contest was established by Mr. and Mrs. Gaylord Donnelly in honor of their life-long friend, Fred A. Farnsworth, who was an avid outdoorsman and the essays are written in the areas of conservation and ecology in the local community. A problem-solution format is used. The winner is awarded \$50 and each of the four runners-up are awarded \$20. This year's winner is Loralee Wilson whose essay is "Hennepin Hopper Lakes and Restoration of IL River Wetlands." Kate Kazmierczak wrote "Should you Drink That?" Nathan Ward, "Reducing Flooding," Michael Weide, "Farmer's Lung Prevention," and Riane Wroblecki, "Making a Difference: Flooding of Corn Fields."

Farmers Working Fast

Area farmers are working fast to get crops out during the break in the rainy, muddy conditions that have been keeping combines out of the fields. Late October rains and mud kept combines out of fields until this week, when farmers starting working fast to get crops harvested. The picture above was taken on Saturday at the corner of Rt. 71 & 89 near Granville. The University of Illinois Cooperative Extension tells us that just 14 percent of the corn has been harvested as of the 1st of Nov. in northwestern Illinois and just 3 percent of the corn had been harvested in northeastern Illinois. Farmers are expected to continue to experience delays due to high moisture content in the corn. Corn elevators are limited on how fast and how much they can dry. Farmers are hopeful that the dry, warm weather will continue so they can get back on schedule.

Toys In The Pantry

Donation Drive Underway

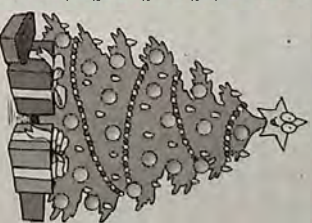

To all the wonderful people, you know who you are, that supported the Toys in the Pantry's Annual chicken Dinner by buying tickets, making donations and helping serve . . . I THANK YOU FROM THE BOTTOM OF MY HEART.

To Pula & Dorothy and the Clover Club, Karen, Helen, Brenda, Kay and Chauntelle, Kim, PC Foods and Country Shop, I thank you for all the hard work and time you gave to make it a success.

I am often asked how I manage to do the toy drive every year and I must tell you that without my family, friends and the people of our little community . . . it would be IMPOSSIBLE.

This will be a very busy year and I know that it is going to be difficult to find the "extra" money to help us. I would like to ask those that can give even a *little* to help give a *little* nicer Christmas to please do so . . . it will mean a *lot!* Please send your donation to:

PCAS Bazaar Huge Success

The Putnam County Achievement Center Bazaar held last Saturday was a huge success with ravoils and other items sold out by 10:30 a.m. Pictured above is Eleanor McCoy of Magnolia with her table of home grown vegetables and popcorn. Below is Geno Bonucci of Granville and Leo McCauley of McNabb. These two were selling tickets on a Wii. Geno has participated in the Bazaars since the first or second year they were held. However, he did not think he would get much use out of a Wii.

State of Putnam County Addressed by Duane Calbow

Pictured above is Duane Calbow, PC County Board Chairman, who spoke at the IVAC breakfast seminar about the State of Putnam County. He also spoke about PC's current and future plans.

We had to do something five years ago. We completed the new jail and Sheriff's office with grants from the federal government and the State. A 1.7 million dollar project was completed with three jails which houses a full operation of 911. It has been very well accepted by the residents of the County."

"Along with the emergency services, Putnam County had an all volunteer ambulance service and over time the new requirements for the volunteers were so much that they could not keep putting in all the time that the State required. It was decided to fund a county-wide ambulance service. Now we have a fully-funded 24 hour staffed advance life support system. It is expensive, but has saved lives."

"A few years ago (2004) a tornado came through Granville. It woke everyone up. We now cooperate with Marshall County by sharing

a Highway Engineer. Our Health Dept. is shared with Bureau County. We share equipment with the villages, basically working together. The steel mill in Hennepin is being dismantled, which is an issue for our area and our public."

Lastly, Bureau County Vice-Chairman, Mark Pierson, who has been on the Bureau County Board for four years, spoke.

"Bureau County has had their battles with the windmills, but are keeping a balanced budget. The asset values drop every year. We need to do something about our county jail and are looking into the possibility of building a new jail or renovating the one we have. Bureau County has a balanced budget at the present time."

wide forest preserve. It is a very confusing mess. About the dog compound, several veterinarians take care of the animals now, and there is no money to build a compound and run it."

"LaSalle (County) has 100 windmills up and running and expects to have 500 towers in the next couple of years. The County will take in \$1,500 per tower for real estate taxes. The schools will collect much more."

"The County budget is up two million dollars. The state is not sending money, and there is loss in revenue last year plus health insurance is up 20%. The County Board is trying to balance the tax dollars."

The next speaker was Duane Calbow, Board Chairman of Putnam County who spoke saying, "Putnam County is the smallest county in the state. It has its advantages and disadvantages. Putnam County operates the oldest courthouse in the state, built in 1839. We have remodeled it some with a new roof by using grants, and with help from the Historical Society it has kept its historical significance. We had a jail that was built shortly after the courthouse."

"My parents were both Putnam County Sheriffs and we lived there in the building.

by Darrell Alleman
 Anna Lijewski, committee chair, called the IL Valley Area Chamber of commerce and Economic Development breakfast seminar to order. The topic for the meeting was "State of the Counties." Guest speakers were LaSalle County Chairman, Jerry Hicks; Putnam County Chairman, Duane Calbow; and Bureau County Vice-Chairman, Mark Pierson.

Jerry Hicks started out by saying, "Since the inception of 911, the County has brought in a little over one million dollars. The equipment to

set the 911 technology up cost \$850,000. The latest on the Forest Preserve in LaSalle County is that on the last election 26 townships decided to disconnect, eleven voted to stay."

"After they opted out, the County still had a county-

the Editor**

On Nov 11, I attended the Veterans Day Memorial at the Putnam County Junior High, I want to take this time to thank the staff and the young men and ladies for this program. For those who missed it you should not have. It was a very moving ceremony, the presentations, the music, (by the way, the band was superb and the chorus was simply great).

So again a heartfelt thank you to the staff and students for making us feel that what we did was worth it all.

**SMH H1N1
Flu Info
Resources**

St. Margaret's has two new H1N1 resources available to the public. The first is an H1N1 information line where individuals can call and receive pre-recorded H1N1 facts. Information is provided regarding symptoms, treatment, testing and prevention of the H1N1 virus. The number is (815) 664-H1N1 (4161).

Another resource for up-to-date information regarding H1N1 is St. Margaret's website. Visit www.aboutsmh.org for links to H1N1 information, such as St. Margaret's Visitation Policy, and links to current CDC (Centers for Disease Control) and Illinois Department of Public Health websites for guidance. There is also a short video regarding H1N1 symptoms, treatment and prevention, by Ramey Lovelady, St. Margaret's Infection Control Coordinator.

As a reminder, St. Margaret's Hospital and clinics are currently providing H1N1 vaccinations by appointment only to our patients who meet current Centers for Disease Control and Prevention high-risk guidelines (http://www.cdc.gov/h1n1flu/). There are no walk-in clinics at this time. There is a \$13 administration fee for the H1N1 vaccine.

Please contact your local Health Department or primary care physician to see if vaccines are available at their offices.

Herman Lipka
1915-2009

Herman "Hermie" Lipka, 94, formerly of 903 Roosevelt Road, LaSalle, died November 7, 2009, in Pleasant View Nursing Home, Ottawa, where he resided the past four years.

Services were November 10 in Hurst Funeral Home, La Salle. The Rev. Gary Stillwell of Zion United Church of Christ, Peru officiated. Burial was in Oakwood Cemetery.

Mr. Lipka was born February 15, 1915, in LaSalle to Herman and Augusta (Schallhorn) Lipka. He married Annabelle M. Hynds on January 1, 1937.

He worked 42 years at M & H Zinc, La Salle. He was a member of Local 393.

Survivors include four daughters; Donna Milby of Hennepin, Sandi (Joe) Milota of Spring Valley, Sharon (Bruce) Krause of LaSalle and Crystal (Karl) Schlee of Hennepin; two sons, Richard (Joyce) Lipka of Trego WI, and Dennis (Lanna) Lipka of Peru; 20 grandchildren; several great-grandchildren and great-great-grandchildren.

He was preceded in death by his wife on February 2, 1996; one son, Clyde; one brother; and three grandchildren.

Pallbearers were Robert, Shawn and Billy Lipka, Andrew Krause, Corey Schlee, Darryl Newell and Jesse Wenzel.

Jenece Piccinelli
1943-2009

Jenece Piccinelli, 66, of Standard, died Sunday, November 8, 2009 in St. Margaret's Hospital in Spring Valley.

Services were November 12 with a Mass of Christian Burial at Sacred Heart Catholic Church in Granville. Fr. Ronald Margherio O.S.B. officiated. Cremation followed the services.

Jenece was born August 17, 1943, the daughter of Harold and Angie (Celio) Maurer. She married Alfred Piccinelli August 11, 1962 in Spring Valley.

She graduated Hall High School in 1961 and attended IVCC and graduated the nursing program. She was an operating room nurse at St. Margaret's Hospital in Spring Valley for 30 years.

She was a member of Sacred Heart Catholic Church in Granville.

Survivors include her husband, Alfred; one son, Tony (Johanne) Piccinelli of LaSalle; one sister, Joela (Paul) Marena of Mesa AZ; numerous nieces and nephews

Jenece was preceded in death by her parents and a son Harold (Tyger)

Pallbearers were Pete, Jody and Dave Piccinelli, Scott Sons, Ron Frederick, Paul Marena, Christian Dinh, and Joe Marchiando.

Memorials may be directed to St. Jude or to the donor's choice.

Mr. Schorn was born December 6, 1938 in LaSalle to Joseph and Emma (Dose) Schorn. He worked as a farm helper until his retirement.

Survivors are his twin brother Edward (Suzann) Schorn of Lostant and his nieces and nephews.

He is preceded in death by his parents and two brothers Donald and Ronald Schorn.

Memorial may be directed to the donor's choice.

Putnam County Honors Her Veterans at PCHS and PCJHS November 11th

Pictured top are local veterans who attended the PCHS Veteran's Day observance and below are local veterans who attended the PCJHS Veteran's Day observance.

by Darrell Alleman

The veterans who attended the PC Veterans Day observances were honored during the ceremonies held in the gymnasiums of the high school in Granville and the junior high in McNabb. At PCHS the Student Council welcomed the veterans as they entered the commons area and served them coffee and refreshments.

Superintendent Jay McCracken welcomed them and shook each veteran's hand. The 33rd Brigade Combat Team posted the colors and the PCHS chorus sang the National Anthem, accompanied by Kevin Alleman on the piano.

Principal Bob Peterson recognized all veterans in attendance and Representative Frank J. Mautino (D) 76th District was the guest speaker.

The Student Council presented a certificate to each veteran. Dominic Passini played *Taps* prior to the 33rd Brigade retiring the colors. A question/answer period followed the ceremony, conducted by history teacher, Corey Meyer to help the students understand what the veterans experienced.

At the PCJHS building in the afternoon, the Student council president, Mike Girtin, welcomed the veterans and they were served coffee and refreshments there also. Principal Carl Carlson

welcomed the veterans and introduced Veteran Keith Baldwin from Henry who was the guest speaker. He marched into the gym, laid a helmet on the table and boots on the floor to represent those soldiers missing in action. Kate Kazmierczak put one rose in the vase on the table. Baldwin said that the country was losing 1200 WWII veterans each day. He explained about the Honor Flight that many of the local veterans will fly on to Washington DC to visit the war memorials there.

Student Council members handed each veteran a certificate and a pin. Mr. Mike Olson thanked the veterans for their service.

Veteran Les Grant reminded the students why it was important to respect our veterans.

The Putnam County School District believes it is important for our youth to understand why they should recognize and acknowledge the many sacrifices that members of the military make on their behalf.

It's time for religion with relevance. The United Church of Christ. We're about justice, understanding and exploration. Not dogma and rules.

God is still speaking.

Helping "Scout" Food For the PC Food Pantry

Pictured above are Wesley Grimshaw and Kaleb Wright of Granville, who collected donations for the PC Food Pantry on 11/7.

The brothers decided to take advantage of the nice weather and help out the community in the name of the local Cub Scout Pack 4060. The "Scouting for Food" program gives Scouts the opportunity to "Do a Good Turn for America," and help their communities. The PC Food Pantry was very grateful for all the hard work the boys did. Donations have been slow as the holiday season nears. When asked about collecting the donations, Kaleb responded, "That's part of being in Cub Scouts. 'To Help Other People' is part of our promise."

Fr. Patrick DeMeulemeester

Sacred Heart Catholic Church, Granville and St. Patrick's, Hennepin

Hear His Word

In just a couple of weeks we will begin the season of Advent, which is a time of preparation. We prepare for the coming of our Lord Jesus at Christmas, but more importantly we prepare for the promised second coming of Jesus at the end of time.

Unfortunately, many people view Jesus' second coming with fear and anxiety. People get caught up with following the latest secret on the exact day and hour when this world will end. But Jesus' coming is something to look forward to because it is a day of joy, love and peace when all evil and self-love will disappear forever. Each time we pray the Our Father do we not ask God "Thy Kingdom Come?" Jesus told the people of His time, we do not know the day or time, but we must remain vigilant. Our preparation must therefore include living our lives according to God's will.

We can ask ourselves the question, what is God's Will? Naturally we think of the Commandments that God handed to Moses on Mt. Sinai. But God's will includes much more than even a strict observance of the Law. When the rich young man asked Jesus, "What must I do to inherit eternal life," Jesus replied, "Keep the Commandments." The young man responded, "Teacher, all of these I have observed from my youth." Then Jesus stated that he must sell everything and give it to the poor and then follow him. The young man could not because he valued his possessions more than God. Therefore, following God's will means to commit our lives totally to Him, making Jesus the center of our lives; we must live as Jesus lived, to treat people in the same way that He treated them. In short, we must love each other as Jesus loves us.

What does love entail? First and foremost, love must be unconditional. Even when we turn our backs on God, He does not, cannot stop loving us. Our love for each other must be the same, no strings attached. This love must be giving and forgiving. We must be willing to give of our time, talent and resources without expecting anything in return. And we must forgive the people who have hurt us or our loved ones. One of the greatest weaknesses of our society today is that we are quick to judge and we refuse to forgive each other. But Jesus was adamant throughout the Gospels, unless we forgive each other we should not expect to be forgiven by God. Lastly, our love must be inclusive rather than exclusive. Love will automatically manifest itself in community. Love is the glue of society and by it we will be drawn to each other and to the source of love, which is God. When you view love in this way we begin to understand that the church is a community that is based, tied and fulfilled in love. This is the reason that the church community is so vital to a successful society.

I pray that as we begin to prepare for Christmas that we not lose sight of the true meaning of Christmas and that we look with anticipation to Jesus' Second Coming.

HPD to Sponsor Movie Mania

The Hennepin Park District will be sponsoring Movie Mania in our Community Room on our big screen TV on Friday, November 27th. We will be showing three movies. At 9:30

a.m. we will be showing "Up." At 11:30 a.m. we will be showing "Monsters vs. Aliens" and at 1:30 p.m. we will be showing "Ice Age: Dawn of the Dinosaurs." Come for one of the movies or

come for all of them. We will be serving popcorn and a beverage during the films. Following the first movie we will be serving Hot Dogs and Chips. Following the second movie participants will make their own ice cream sundaes. Bring your sleeping bag and a pillow to lie on. Cost of this program is free to Hennepin and Hennepin Township and \$7 for all other areas. Pre-registration is requested. We will only take 50 participants due to space constraints. We will take walk-ins on the day of the activity if we have not reached capacity. For more information or to pre-register please call the Hennepin Pool at 815-925-7319 or e-mail at hennepinparkdistrict@mchsi.com. Preschool- 8th grade are invited to attend this activity however we request that pre-schoolers be accompanied by an adult.

LEGAL PUBLICATION THE CIRCUIT COURT OF THE TENTH JUDICIAL CIRCUIT, PUTNAM COUNTY - STATE OF ILLINOIS

In The Interest of: TYLER M. SHOWN, A Minor, Case No. 09-JD-09

NOTICE BY PUBLICATION

TO: Robert Maddix and to All Whom It May Concern:

Take notice that on November 6, 2009, a Petition was filed under the Juvenile Act of 1987 by Putnam County State's Attorney, James A. Mack, in the Circuit Court of Putnam County entitled: In the Interest of Tyler M. Shown, a Minor, and that in the Courtroom of the Honorable Judge Kevin R. Galley, or any Judge sitting in his stead, on December 17, 2009, at the hour of 1:30 P.M., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held upon the Petition to have the child declared to be a ward of the Court under that Act. The Court

has authority in this proceeding to take from you the custody and guardianship of the minor.

Now, unless you appear at the hearing and show cause against the Petition, the allegations of the Petition may stand admitted as against you and each of you, and an Order or Judgement entered.

UNLESS YOU APPEAR AT THE HEARING AND SHOW

CAUSE TO THE CONTRARY, AN ORDER OR JUDGMENT BY DEFAULT MAY BE ENTERED AGAINST YOU FOR THE RELIEF ASKED IN THE PETITION.

2009 Tax Levy Presented to Board of Education

Putnam County School Superintendent, Jay McCracken, presented the 2009 tax levy to the Board of Education at their last meeting. It was suggested by Mr. McCracken that the 2009 tax levy be \$4,844,500, which would not require a truth-in-taxation hearing. McCracken said that due to an increase in the district wide tax base, the current \$3.76 per \$100 equalized assessed valuation should be the targeted rate. The 2009 levy was 104.99% of last year's extension.

Certified Public Accountant, Dave Wilcoxson, presented the Board with a favorable audit and stated that the district had nice fund balances in spite of the new school project and the hard economic times. Wilcoxson was quoted as saying, "Things have held up well. The low tax rate is due in part to the district having no outstanding bonds. You've been able to operate without issuing bonds. It is a good report for the school..."

IL EPA Gives Notice to Hennepin on Public Drinking Water

•• Agency Confirms PCE Contamination and Requires Customers to be Notified

The IL EPA has notified the Hennepin Public Water District, by certified mail, that there has been a confirmed detection of groundwater contamination that poses a threat of exposure to the public above the Class I groundwater quality standards.

Tetrachloroethylene (PCE) has been detected and confirmed in the District's raw (source) and finished (distributed) drinking water, and the PCE exceeds 2.5 parts per billion (ppb). This level does not yet exceed the Class I groundwater quality standard for PCE of 5.0

ppb that both federal and State law allows in drinking water. However, the Right to Know provision of the Environmental Protection Act requires that the public be notified even before this Class I groundwater quality standard is exceeded in their drinking water.

The Environmental Protection Act requires the water supply provide notification to its customers of this contamination by mail, email, post card, text message or telephone, within five business days of official receipt of the Illinois EPA's notice. The Water District must provide the Illinois EPA with written proof of the notifications within seven calendar days after they are

sent. The Illinois EPA will post this press release and other appropriate notifications on its web site at: <http://www.epa.state.il.us/water/drinking-water/pws-well-contamination/index.html>.

Some people who ingest water contaminated with PCE over long periods of time can experience adverse health effects. The factsheet containing complete health information for PCE can be found on U.S. EPA's website at: <http://www.epa.gov/safewater/contaminants/basicinformation/tetrachloroethylene.html>. This notification is required under Section 25d-3(a) of the Environmental Protection Act [415 ILCS 5/25d-3(a)].

PC Food Pantry Profits From Ghostly Giving

Pictured above L-R are Cathy Oliveri, Chairman of Toys in the Pantry; Gayle Reno, President of the PC Food Pantry; Darlene and Bob Cofoid. A check was presented to the Pantry in the amount of \$850 as a result of the Cofoid Haunted House.

During this year's Halloween weekend, the Cofoid's Haunted House was attended by over 400 children and adults who cumulatively donated \$850 in cash to The Toys in the Pantry and 600 lbs. of non-perishable food to the Food Pantry.

Gayle Reno, PC Food Pantry President, said, "These donations come at a good time because this is the first time in 25 years that donations have been down." She thanked the Cofoid family, as did Cathy Oliveri, Chairman of the Toys in the Pantry.

Cofoid's Haunted House would also like to thank everyone for another successful year. It was a fantastic turnout considering these tough economic times. Many families in Putnam County will benefit from the donations.

Pre-School Screening Scheduled for Dec. 1st

PCCUSD #535 is scheduling Preschool Screening on Tuesday, December 1st from 2-4 p.m. at the PC Primary School, 400 E. Silverspoon in Granville.

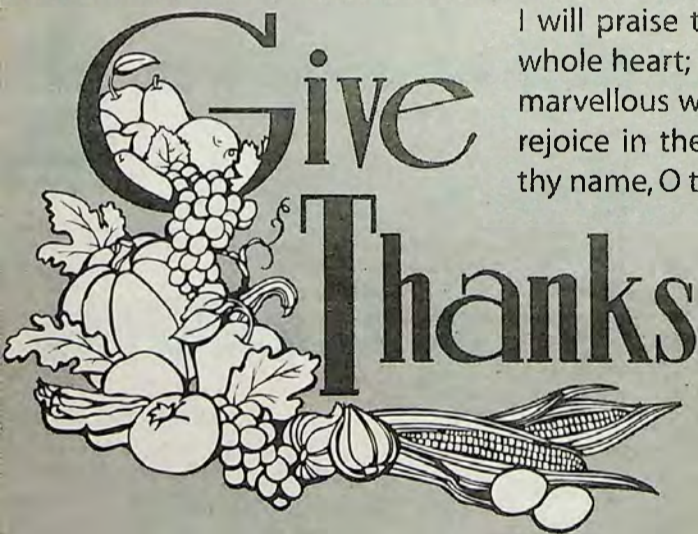

In order to be eligible for the screening, the child must have been 3 or 4 on or before September 1st.

All PC families are encouraged to take advantage of this free screening. The preschool screening is offered to assess each young child's development in the following areas:

- speech, vision, socialization, hearing, large muscle development, cognition,
- small muscle development, language

Results from this screening can be used to help determine a child's eligibility for the Putnam County Early Childhood Program, located in the Putnam County Primary School building. This is a no-cost, developmentally appropriate, preschool program that offers hands-on activities to promote general readiness skills.

Please call Janice Hoffman, Family Coordinator, at 815/882-2800, Opt #1 by Monday, November 30th to schedule a screening appointment.

I will praise thee, O LORD, with my whole heart; I will shew forth all thy marvellous works. I will be glad and rejoice in thee: I will sing praise to thy name, O thou most High.

History From The Files of the Putnam County Record

10 YEARS AGO NOVEMBER 24, 1999

The high school mentor program "Snowball" had started between the high school and the students at Hopkins.

The PC Public Library District was able to purchase \$8,323 worth of books due to the generous support of the community and a \$5,000 grant from the State.

Publisher/owner Elin Arnold wrote an article about her sojourn in Israel and Jordan. She was grateful for all the freedoms enjoyed in the USA vs. the limitations imposed by other countries and governments. Her closing statement was, "As for me, I will try to be more grateful all year long."

The Hennepin UMC women held their Annual Chicken & Biscuit Supper and Bazaar on December 1st.

Michael Skowera wrote a poem for the paper after the tragic accident that had claimed the lives of four PC young people.

The local FFA held their annual cookout and hayrack ride at the highschool Ag Shop.

The Driver Training class at PCHS held a seminar in which students put on goggles, which made them feel as though they had a blood alcohol level of .15 and tried to drive a golf cart. The PC Sheriff's department, ISP Officer Ferguson and Kevin Moore, police chief in Granville conducted the seminar focusing on the effects of driving under the influence.

Helen Marie Engelbrecht was the featured speaker at the PC Historical Society's Second quarterly meeting on the 14th. Helen Marie's topic was a comprehensive review of the Hopkins Township High School Alumni Assn Museum.

The UCC in Granville was busy planning and getting everything ready for the Bazaar held on December 4th.

The Nov. 24th edition of the *Putnam County Record* highlighted the PCHS Varsity teams. On the boys team were Justin Immel, Mike Grasser, Rick Guadiana, John-Paul Romero, Matt Gilbert, Derek Liles, Jeremy Urnikis, Nathan Andersen, Gabe Doyle, Brian Black, Josh Kays, Tony Phelps and Chad Borneman. The coach was Dick Fick. On the girls team were Jess Gonet, Kim Gonet, Jamie Reno, Kitty Bruch, Kara Cioni, Amy Naas, Kayla

Holmbeck, Kristian Black, Ashley Kneebone, Kathy Smith and Becca Terando.

The State Treasury allotted motor fuel tax funds to various counties in the state. PC received \$20,525.44 according to IDOT.

BIRTHS: Anton and Theresa Judd Dzierzynski of Hennepin, a son, Caleb Judd, on January 16 in SMH, Spring Valley.

DEATHS: Rachel Garza, 53 of Granville died November 19 in her home.

20 YEARS AGO NOVEMBER 22, 1989

Pulsifer House presented an early American Christmas at its holiday celebration. The theme was "A Williamsburg Christmas at Pulsifer House."

Lynn Griffith, on behalf of Griffith Seed Company in McNabb, received a plaque of appreciation from Jim Goldasich, past chairman of PCEF's Board of Trustees. The company was recognized for its contribution of \$500 to the PCEF, which helped establish the organization and allowed it to begin to fulfill its mission of providing extra education opportunities to PC students.

The *Record* found an article of 80 years ago and published it in the newspaper because the new basketball season was beginning: "In 1929, Magnolia Granville Basketball game makes National Record. On Nov. 20th, 1929 a game between Hopkins Twp High School and Magnolia High School was given national recognition. The game was given State recognition at the IL State HS tourney in

March '87. The game played in Magnolia was recognized because in regulation time of quarters, the score ended with Magnolia winning over Hopkins by a score of 1-0. The reason for the low score seemed to be the low ceiling at Magnolia which was only 2-3 feet above the basket. Hopkins was used to a high ceiling and when they shot the ball it would bounce off the ceiling and go out of bounds. Their coach, Ray Elson, had them play in the back court to make the other team come after them which resulted in a stalemate for 3½ quarters. There was no 10 second rule back then so a team could stall anywhere on the court and make the opposing team come after them. When Magnolia got the ball from an out of bounds, a Hopkins player fouled Frank Titus from Magnolia. The free throw was made which made the score 1-0." Team players from Hopkins were Bruno Piccioli, Hugo Borri, Orville Acuncius, Fred Kessler, Chester Novak and George Bloom. Their coach was Ray Elson. Players from Magnolia were James Bickerman, Ben Griffin, Schyller Wells, Raymond Spear and Frank Titus. Their coach was Martin Swanson. In today's world, with all the rule changes, it would be nearly impossible to have such a low score.

DEATHS: V.L. "Butch" Toellen, 57 of Mark died Nov. 14 in SMH, Spring Valley.

NOVEMBER 29, 1989
The Granville Masonic Temple Assn raised \$500 from their spaghetti supper and donated it to the Food

Pantry.

DEATHS: Charles Lenkaitis, 83 of Granville died at PMH, Princeton on Nov. 21.

30 YEARS AGO

NOVEMBER 21, 1979

The badly beaten, nude body of an unidentified young woman was found Nov. 18 on Dutchman's Hill, 1.5 miles east of the intersection of IL 26 & 18 near Henry, in Putnam County, according to PC authorities.

Many M-P 4-Hers were honored at the Annual Achievement Program. Fourteen recipients received the 4-H Key Award, one of the highest individual over-all awards given.

Beverly M. Chiavario was appointed postmaster of Standard on Nov. 17.

The *Putnam County Record* received the Media Citation of Excellence Award presented by the IL Education Assn Regions 24 and 25 for distinguished service in the coverage and interpretation of education.

40 YEARS AGO

NOVEMBER 20, 1969

The PCHS band presented its 2nd annual Fall Concert in the school gym, directed by Thomas L. Swain, music instructor.

PC Historical Society Christmas Open House

The Putnam County Historical Society will present "A Victorian Christmas: the Life and Times of Edward Pulsifer and Family" on December 6 from 2-4 p.m. at the Pulsifer House in Hennepin. PC young people will present period portrayals.

Visitors will experience a tour of this fully restored "Jewel of the Prairie" 1844 house while hearing the story of the businessman who built it and lived there with his wife and children. Elyssa Glenn will portray Mrs. Pulsifer; Seth Holocker will be the eminently successful entrepreneur, Edward Pulsifer; Ellyonna Glenn will be the daughter, Frances Mary Pulsifer; and Chelsea Keen will portray a friend of the family, Ella Ohmer. Clayton Keen will be a greeter and Society Directors will be tour guides.

Visitors will have an opportunity to hear about life in the 1800's in Hennepin and hear the story of Pulsifer House as told by the family, who will appear in period dress.

Refreshments will be served; admission is free. The house is not handicap accessible.

King / Hmielak Nuptials Announced

Mr. and Mrs. Ryan Hmielak

Lisa King and Ryan Hmielak, both of Lake Thunderbird, were united in marriage at 2 p.m. on November 6. A double wedding along with Ryan's twin brother, Jamie and his bride Gail, took place on Catalina Island, California at the Wrigley Botanical Garden Monument.

Lisa is the daughter of Mary Jo Grothe, of Lacon and the late Joe Clift. Ryan is the son of Nancy and Bob Hmielak, of Thorp WI.

Lisa was given in marriage by her mother. Matron of Honor was Calli King, daughter of the bride. Best Man was Jamie Hmielak, brother of the groom.

A reception followed at the Metropole Beach House.

Thank yous go out to all of our family that made the long trip out via car, plane, taxi, ferry, and of course, golf cart.

Chanukah: The Story, the Song, the Game, the Food

You will want to join the fun at the informative Chanukah program to be presented at the Putnam County Library in Hennepin on December 8th at 6:00 p.m. Bring the entire family to learn about the history of Chanukah and the currently-observed traditions. Learn the answers to these questions:

What does a hammer have to do with Chanukah?

Do you know what the word "Chanukah" means?

What is Chanukah celebrating?

How many different ways is "Chanukah" spelled?

Do kids really get gifts on all eight nights of Chanukah?

Why are potato pancakes and chocolate coins eaten on Chanukah?

The library is privileged to have Yona Lunken of Thinking Skills Seminars present an enlightening Chanukah program that shares the traditions and rituals of his heritage. Yona has planned games and art projects for the kids and traditional Chanukah food for all! Don't miss this event! Reservations are required for an accurate count of seating, games, and food. Call 815/925-7020 for information and reservations.

IL State Police Conducted Drug Search at PCHS

by Bob Peterson

Friday, November 13th, District 17 commander Dan Roach and other officers were at Putnam County High School to do a drug search. Sergeant Dan Roach and 4 other officers and their dogs did a sweep of the high school and the parking lot for the possibility of drugs. Putnam County Student Council President, Ashley Bean and Vice-President Alonza Khouaja were also observers representing the student body. The search of the hallway lockers, PE lockers, and the parking lot took about 35 minutes. Nothing was found. The student body was in lock down mode during the search. Putnam County Administration would like to extend a big thank you to the District 17 State Police Department

Putnam County Area Soybean Farming Update

The estimated yield for the Illinois soybean crop was 45 bushels per acre, one bushel above the October 1 forecast. Production is expected to total 420.8 million bushels, two percent below last year's production. This October was the second wettest on record behind 1941, with a statewide precipitation of 8.9 inches, six inches above normal. As of November 1, 35 percent of the soybeans had been harvested, compared to 88 percent last year and 92 percent for the five-year average. This soybean harvest progress was the second latest on record, trailing only 1941, when 21 percent was harvested as of November 1.

DeVine Floral Expands to Oglesby

Pictured above is Lori Mudge (L) and Cindy Wrath-Mussari inside the new location of DeVine Floral in Oglesby.

by C. R. Arnold

Mark and Lori Mudge are now the owners of the former Sally's Greenery in Oglesby. The business is located at 110 N. Columbia. Lori will have a full line of giftware, and fresh and silk florals. She will operate a full service floral shop at each location - Granville and Oglesby.

Lori is an educated, experienced, and award winning designer of floral arrangements. The business in Oglesby is now open and ready to serve area customers. DeVine Floral Oglesby business hours will be from 9-5 Monday thru Friday and 9-1 on Saturdays. Granville hours are 7-6 Monday thru Friday and 8-3 on Saturdays.

There will be a Christmas Open House (see ad on Page 8) on December 4 and 5. Cindy Wrath-Mussari, who formerly worked at Sally's Greenery, will continue to serve customers at the Oglesby store of DeVine Floral.

Mr. and Mrs. Lincoln Visited Putnam County Primary School

by Kristal LeRette

On Thursday, November 19, Mr. & Mrs. Lincoln arrived at the Primary School in Putnam County. They came to help us celebrate his bicentennial (200th) birthday at Family Reading Night. Mr. Lincoln read a story to us about his life, from birth on. He encouraged all of the children to do well in school and to continue reading. He and Mrs. Lincoln then walked around and watched all the children as they made a quilt, played leap frog, played pass the strawberry, and played a game of book bingo. Everyone who came also had a cookie and juice.

Family Reading Night is an event sponsored annually by the State Librarian, Jesse White. We have been celebrating this evening in Putnam County for about 12 years now. It is always a fun learning experience. We would like to thank Jesse White for sponsoring this evening and for the book marks that were given out to the children. We would like to thank the Book Mouse in Ottawa. They donated some T-Shirts with a picture and slogan from Mr. Lincoln on the front. Those were given out as door prizes. We would also like to thank Mr. & Mrs. Lincoln for coming all the way to Putnam County to visit with and read to us. Thank you to all who volunteered and donated items to make this night a success.

Jesse White
SECRETARY OF STATE

Emergency Contact Database Surpasses 100,000 Participants

Secretary of State Jesse White announced the Emergency Contact Database surpassed 100,000 participants in less than three months since its unveiling on August 18.

White's office initiated the legislation (Public Act 95-0898) establishing the Emergency Contact Database to allow the public to voluntarily enter their emergency contact information through the Secretary of State's website at www.cyberdriveillinois.com. This information is then made available electronically to law enforcement statewide through LEADS (Law Enforcement Agencies Data System).

The voluntary database allows Illinois residents to enter information at www.cyberdriveillinois.com for up to two family members or friends, including addresses and phone numbers should it be necessary for law enforcement to reach them in case of an emergency. All Illinois residents possessing an Illinois driver's license, instruction permit or identification card qualify for the voluntary program. Residents may list anyone in the United States as emergency contacts. Only law enforcement will be able to access the emergency contact information once it has been entered into the database.

Illinois is just the third state to establish an emergency contact database, joining Florida and Ohio.

Kids' Club

North Central Bank (Hennepin and Ladd Branches) presented their 2nd annual Kid's Club Kick-Off meeting at Putnam County Elementary. Hailey Anderson and Kim McKee met with all of the Putnam County Elementary students. Fourth and fifth grade students participated in the program's success last year and had the chance to share some terrific success stories. This year will be first time third graders who have the opportunity to join the fun. An over simplified description of Kid's Club is that it is a home, school, and bank partnership to teach and motivate children about the values and benefits of personal savings. Classroom activities, financial incentives from North Central, and fun interactions and transactions at the banking facilities with the students and their parents combine to make this an exciting and rewarding opportunity. You're never too young to start saving.

Lily Pads Open for Business PC Youngsters Place on Dolphins Swim Team

A new 10,000 square foot Lily Pads Resale Boutique on Progress Blvd in Peru launched its Grand Opening celebration this week with a ribbon cutting ceremony. Several board members, volunteers from both the PADS shelter and Lily Pads Resale Boutique attended as Carol Alcorn, Executive Director of PADS cut the ribbon. The Grand Opening was timed to coincide with National Hunger and Homelessness Awareness Week November 15-21.

Each year, one week before Thanksgiving, National Coalition for the Homeless

and the National Student Campaign against Hunger and Homelessness co-sponsor National Hunger and Homelessness Awareness Week. It is the hope that by holding their official grand opening festivities, Lily Pads Resale Boutique will bring greater awareness of the endeavor to end hunger and homelessness to our community. "It is important to dispel myths that label homelessness as someone else's problem or claim that an end to homelessness is impossible," said Alcorn. PADS emergency shelters,

along with the assistance of many local resources, work with the homeless to encourage them to help themselves. Lily Pads help PADS to lead by example by helping to fund their projects through retail sales. "Seventy percent of our operating costs have always come from generous donations from the communities we serve. This has funded supplies, operational expenses and direct service to the homeless in our area," said Alcorn. "The success of the new Lily Pads Boutique will help to make up for the cuts in government funding that happened earlier this year. Fortunately, we had started the project before the cuts happened in order to expand programs. Now Lily Pads along with donations from the community will keep the shelters open."

In addition to furniture and clothing, the store sells gently used smaller household items, home décor, jewelry, shoes, accessories, books, appliances and many seasonal decorations. "New items arrive every day, so the store is always changing," said Briddick.

Lily Pads has been open to the public for a few weeks, and has been accepting donations of items from the public. "We are so grateful to the volunteers who have been working tirelessly to make this happen," said Alcorn. "So far we have had wonderful support from the community."

Cont'd on Page 8, Col. 1

Following are the swimming results from a tri-meet this past Saturday (ILVY YMCA, Ottawa YMCA, and Belvidere YMCA) at Belvidere.

Sadie Heinrich, competed in the 8 & Under category, touched the wall in the 25 Yard Butterfly in 37.23 placing her in 4th place and eighth in the 25 Backstroke with a time of 29.43. The quartet of Heinrich, Christine Senica, Grace Satterfield, and Karleen Camenisch placed 3rd overall in the Girls 8 & Under 100 Free Relay with a time of 2:05.19.

John Hrasch, Ronnie Johnson, Nate Smith competed in the Boys 13-14 age group. Lily Pads from Pg 6 . . .

The new building consists of 6000 square feet of retail space, and 4000 square feet of receiving and preparation space—a huge increase in space from its original building, which was smaller than 900 square feet. Clothing and furniture donations can be dropped off at Lily Pads just east of Menards in Peru.

PADS emergency shelters opened to serve the homeless October 1 in Ottawa and Peru. The Peru shelter has 22 beds. In Ottawa, an 1800 square foot

addition increased the shelter to 3000 square feet, from 18 beds to 26. Alcorn says there is a conference room added in the new space where residents can study, take classes in Literacy, GED, and Alcohol/Substance Abuse. The Ottawa shelter renovation took place over the summer when the shelters are not in use. An Open House is planned for later this fall.

Supplies to help run the shelters are often donated. "At this time of year both shelters need paper plates, paper towels, plastic utensils, laundry soap, powdered

drinks, coffee, toilet paper, men's disposable razors, travel size toothpaste, and 33 gallon garbage bags," said Alcorn. Donations can be dropped off at the Peru Shelter at 1320 Menards Drive, or the Ottawa shelter at 1120 Canal Street.

Illinois Valley PADS operates two emergency shelters that serve LaSalle, Bureau, Putnam, and parts of Marshall and Grundy counties. PADS offers a safe place for those in need by providing meals, showers, laundry and a warm bed in a nurturing environment. Due

to funding limitations, PADS is open October 1 and closes April 30 each year. PADS provides shelter from 7 p.m. to 7 a.m. every day during those months. It is hoped that PADS will one day be available all year long. Two-thirds of the operating costs of PADS shelters are funded by donations from within the community.

From October 2008 through

April 2009 PADS served 188 individuals, 92.5% of them were local. In the six weeks since the shelters opened for the 2009-2010 season, there has been an increase in need due to the economy. Most notably there have been more children in the shelters than have been seen in past years.

Let Us Remember . . . Why We Give Thanks

Editor's Note: So, what happened to Thanksgiving? Every year it gets worse and this year there were Christmas decorations up before Halloween had ended. This tendency to forget what Thanksgiving is all about has really bothered me in recent years. This year I was fortunate enough to run across the following history of Thanksgiving printed in the November '09 issue of The LEGALALERT, published by the Christian Law Association. With their permission I am reprinting it here. Think about it. Pray about it. Take a stand about it. It's time America returned to its traditional and historic roots. Take some action. Let your Congressmen know you've had enough. Don't continue to let the minority erode out country's foundation.

THANKING GOD: A 500 Year Tradition

Give thanks unto the LORD, call upon his name, make known his deeds among the people.
1 Chronicles 16:8

Thanksgiving is the oldest American holiday. Although we generally attribute the First Thanksgiving to the Pilgrims in 1621, several other special times of thanksgiving preceded it on land that would eventually become part of America.

- In 1541 at Palo Duro Canyon, Texas, Coronado and 1,500 of his men celebrated a time of thanksgiving to God for His blessings;
- In 1564 at St. Augustine, Florida, French colonists also engaged in a special time of thanksgiving to God;
- In 1598 in el Paso, Texas, Juan de Oriate and his expedition held a similar celebration to God; and
- In 1619 in Virginia, the Jamestown settlers held an official Thanksgiving celebration.

THE PILGRIMS

The first Pilgrim Thanksgiving in 1621 with Samoset, Squanto, and their other Indian friends and benefactors, was not the most dramatic Pilgrim Thanksgiving. The most dramatic Thanksgiving occurred two years later.

During that summer, the

Pilgrims suffered a severe and extended time of drought. They knew that without a change in the weather, there would be no fall harvest. The winter would surely bring severe starvation and death to their community. Therefore, Gov. William Bradford gathered the Pilgrims together for a time of prayer and fasting.

Shortly thereafter, a gentle rain began to fall. Governor Bradford explained in his *History of Plymouth Plantation*:

[The rain] came without either wind or thunder or any violence, and by degrees in abundance, as that ye earth was thoroughly wet and soaked therewith, which did so apparently revive and quicken ye decayed corn and other fruits as was wonderful to see, and made ye Indians astonished to behold; and afterwards the Lord sent them such seasonable showers, with interchange of fair warm weather as, through His blessing, caused a fruitful and liberal harvest, to their no small comfort and rejoicing.

The rain saved the corn. One of the Indians who observed this miracle remarked:

Now I see that the Englishman's God is a good God; for he hath heard you, and sent you rain, and that without such tempest and thunder as we used to have with our rain; which after our Powawing for it, breaks down the corn; whereas your corn stands whole and good still; surely, your God is a good God.

The drought had been broken; there was an abundant harvest - cause for yet another Thanksgiving. The Pilgrim practice of designating an official time of Thanksgiving quickly spread throughout the other New England colonies as annual traditions were established of prayer and fasting in the spring, followed by prayer and thanksgiving in the fall.

THE FIRST NATIONAL THANKSGIVING

America's first national Day of Thanksgiving occurred on September 25, 1789. It was the nation's first official act set by Congress after that body

completed the Constitution and Bill of Rights. According to the early equivalent of the Congressional Record:

Mr. [Elias] Boudinot said he could not think of letting the session pass without offering an opportunity to all the citizens of the United States of joining with one voice in returning to Almighty God their sincere thanks for the many blessings He had poured down upon them. With this view, therefore he would move the following resolution:

Resolved, That a joint committee of both Houses be directed to wait upon the President of the United States to request that he would recommend to the people of the United States a Day of Public Thanksgiving and Prayer . . .

Mr. Roger Sherman justified the practice of thanksgiving on any single event not only as a laudable one in itself but also as warranted by a number of precedents in Holy Writ . . . this example he thought worthy of a Christian imitation on the present occasion.

President George Washington heartily concurred with this request to thank Almighty God at the birth of the new Constitution. He issued the first federal Thanksgiving proclamation, declaring in part:

Whereas it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and favor . . . Now, therefore, I do appoint Thursday, the 26th of November 1789 . . . that we may all unite to render unto Him our sincere and humble thanks for His kind care and protection.

So much for any hint of the desire for a "separation of church and state" to be found in the Establishment Clause of the First Amendment in the Bill of Rights! While our Founders wanted to prohibit the establishment of an official national church, they quite obviously had absolutely no intention of separating God from the American government.

Following President Washington's initial proclamation, days of Thanksgiving were sporadically proclaimed.

"On the Fourth of July we celebrate our independence; on Thanksgiving Day we acknowledge our dependence . . . on the Fourth of July we boast of what we have done, and on Thanksgiving Day we feel grateful for what we have received."

William Jennings Bryan

- Another by President Washington in 1795;
- One by Jon Adams in 1799;
- Others by James Madison in 1814 and 1815.

But most official Thanksgivings in early America were observed at the state level. By 1815, the various state governments had issued at least 1,400 official calls for prayer and thanksgiving or for prayer and fasting.

PRESIDENT LINCOLN'S PROCLAMATION

While our Founders wanted to thank God for the new nation they had just established, Thanksgiving did not become an annual event in America until the time of President Abraham Lincoln. After being importuned by Sarah Josepha Hale, a popular women's magazine editor, President Lincoln proclaimed the last Thursday in November, 1863, as a day "of Thanksgiving and Praise to our benevolent Father." He proclaimed this national Day of Thanksgiving in the midst of the darkest days of the Civil War, noting:

The year that is drawing towards it close, has been filled with the blessings of fruitful fields and healthful skies. To these bounties which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary a nature, that they cannot fail to penetrate and soften even the heart which is habitually insensible to the ever watchful providence of Almighty God.

The President continued, *Not human counsel hath devised nor hath any mortal hand worked out these great things. They are the gracious gifts of the Most High God, who while dealing with us in anger for our sins, hath nevertheless remembered mercy. It has seemed to me fit and proper that they should*

be solemnly, reverently, and gratefully acknowledged as with one heart and one voice by the whole American People.

The 1863 Day of Thanksgiving was remarkable because it was held during a time in which the Union Army had been losing battle after battle for three extremely brutal and bloody war years.

That time was also a pivotal point in Lincoln's own personal spiritual life. Just several months earlier, the Battle of Gettysburg had resulted in the loss of more than 60,000 American lives - in a single battle. President Lincoln would later explain to an Illinois clergyman that it was while walking among the thousands of graves at Gettysburg that he first committed his life to Christ. He confessed:

When I left Springfield [Illinois], to assume the Presidency, I asked the people to pray for me. I was not a Christian. When I buried my son, the severest trial of my life, I was not a Christian. But when I went to Gettysburg and saw the graves of thousands of our soldiers, I then and there consecrated myself to Christ.

That tragedy of 60,000 dead affected Abraham Lincoln's eternal destiny as well as the rest of his brief remaining earthly life. His dedication to Christ was visible in his public pronouncements for the remainder of his presidency.

A CONTINUING TRADITION

Since President Lincoln's 1863 proclamation, each President has issued an annual proclamation declaring a National Day of Thanksgiving to God, although the actual dates have varied widely. It was in 1933 that President Franklin D. Roosevelt, another president destined to witness the brutality of war, as well as the chaos of economic collapse, called for an annual national Day of Thanksgiving every fourth Thursday of November. Finally, in 1941, ironically just a few weeks before the Japanese attacked Pearl Harbor, Congress permanently established the fourth Thursday of November as an official national Thanksgiving holiday.

THANKSGIVING 2009

As we thank God for His blessings this year, we should particularly remember the words of Boston's *Lady* magazine editor, Sarah Josepha Hale, when she urged President Lincoln to proclaim a national Day of Thanksgiving during the midst of the Civil War. She wrote:

Let us consecrate the day to benevolence of action, by sending good gifts to the poor, and doing those deeds of charity that will for one day, make every American home the place of plenty and of rejoicing. Let the people of all the States and Territories sit down together to the "feast of fat things," and drink, in the sweet draught of joy and gratitude to the Divine giver of all our blessings, the pledge of renewed love to the Union, and to each other; and of peace and good-will to all men.

Hear His Word

Greetings Dear Friends in Christ, I simply cannot believe that we are so close to Thanksgiving and Christmas. This year seems to have melted away. I was just getting used to wearing short sleeved blouses and now I have to dig out winter gear. I dread the thought of that first snowfall that is right around the corner. Some people just love winter. They go on and on about how lovely and invigorating winter is for them. I am not fond of it at all. I consider snow to be nothing but white slop.

So, Thanksgiving and Christmas - we need them both very much. Thanksgiving is a public, national holiday. We remember how we started out here in this country. At the beginning we were a fragile little group of settlers who came here looking for religious freedom and a place to call home. We survived by the skin of our teeth and through the help of native people who shared with us and cared for us. The core of Thanksgiving was and is taking time to thank the author of all our feasts - our loving Creator God.

It is a very good thing that we take time to publicly give thanks every year. I just wish that we would be more intentionally thankful in our everyday personal lives. I remember a story that I came across years ago about how God sends out angels everyday to gather in all the prayers that people address to Him. The angels travel far and wide - from north to south and from east to west. They go to every corner of the the earth and gather in every single prayer and put them into baskets. When they get back to heaven they sort them into piles. The prayers that ask for this or that form a huge mound. Of course, there are many prayers in that pile that are deserving and God looks at and answers each one. His answers may not be what we want or expect, but still He answers our prayers. But the other pile, the thank you pile, is sadly very, very small.

As to Christmas - I love it. Presents are nice. As I have grown older Christmas presents really do not figure into my thinking like they used to when I was a little girl. When I was a child I spent countless hours poring over the Christmas catalogs. These days I like to focus on the joy of knowing that God gave us the greatest gift of all - His son. No present under any tree can ever match that one. We get other wonderful gifts too - forgiveness for our sins, inclusion in the church, and eternal life. We are very richly blessed.

I hope that all of you will join us for the ecumenical Thanksgiving service on the 22nd. I also hope that you will take time to reflect on the joys and blessings that God daily provides for you.

Yours in Christ, Pastor Ann Ziegert

Putnam County Area Farming Corn Update

The Illinois Field Office of NASS released the USDA's November Crop Production Report. State and national highlights of the report include: ILLINOIS

As of November 1, the Illinois corn for grain yield for 2009 was estimated at 175 bushels per acre, down four bushels from the October 1 forecast. At this level, total production for the state would reach 2.07 billion bushels, three percent below the 2008 production. Harvest of the crop was only 19 percent complete by November 1 compared to 63 percent in 2008 and 86 percent for the five-year average. This was the latest harvest progress since 1967 when only 10 percent had been harvested.

Don't forget our service men and women on foreign soils or even here at home. We will send them the Putnam County Record free of charge. Just bring in their names and current APO addresses.

ON STAGE 212

•• CAST ANNOUNCED FOR STAGE 212'S "IT'S A WONDERFUL LIFE"

"It's a Wonderful Life" tells the familiar tale of George Bailey, a small-town businessman who, desperate and on the verge of suicide, comes to realize how much good he has done after being shown what life would have been like had he never existed. The twist in the tale is that the show is performed as a live 1940's radio show, complete with commercials and live sound effects.

Featured in the ensemble cast are Dick Dorsch, Pete Fauth, Megan Baznik-Wilson, Michelle Vrtis, Ken Schroeder, Edmund Leahy, Linda Dolder and Matt Gerding.

Production staff includes director Rachael Mellen, producer Joe Ennenbach, production assistant Alice Mellen, accompanist Erik Olson, sound operator A.J. Wilson, light operator Alice Showen, Foley artist Rick Showen and costumer Glenlynn Mateika. "It's a Wonderful Life" will be presented December 11 - 13.

Conservation is King

IDOA study finds Illinois farmers are switching from conventional tillage methods to practices that preserve soil and protect the environment

A new study from the Illinois Department of Agriculture indicates the state's farmers increasingly are using tillage practices that protect the environment. According to this 2009 Illinois Soil Erosion and Crop Tillage Transect Survey, nearly half (49.9 percent) of the state's cropland was farmed with a conservation tillage system this year, the highest percentage since the department began tracking use of crop tillage systems in 1994.

"Conservation tillage is good for the environment because it prevents soil erosion and improves water quality," Agriculture Director Tom Jennings said. "It also is good for farmers because it preserves fertile farmland and ensures our agricultural production is sustainable for generations to come."

In the 16 years since the first survey, the utilization of conservation tillage practices, or production methods that leave at least 30 percent of the prior year's crop residue on the ground after planting, has increased from 32 percent to 49 percent of farm fields. During the same span, there has been a corresponding decrease in the use of conventional tillage methods that leave little residue on the soil surface. In addition, 85 percent of farmland was below "T," which is the amount of soil that be replaced naturally by the decomposition of crop residue.

No-till farming still is the conservation practice of choice among Illinois farmers, primarily due to the large amount of soybeans planted by no-till. However, the survey found a significant increase this year in the use of mulch-till systems.

"The number of no-till acres actually declined, probably because this spring was so wet," Land and Water Resources Specialist Alan Gulso said. "In an attempt to dry-out their saturated fields and get a crop planted, conservation-minded farmers decided they had to till some of their land and opted to switch to mulch-till, which is a minimal tillage system."

The period from April through July this year is the ninth wettest on record. Precipitation, those four months totaled 20.94 inches, or 4.74 inches above average.

Statewide the Soil Erosion and Crop Tillage Transect Survey was completed with assistance from Illinois' 98 soil and water conservation districts and the USDA Natural Resources Conservation Service. The Marshall-Putnam Soil and Water Conservation District, Henry, was in charge of conducting this Transect Survey locally. After planting in the Spring of 2009 District staff members drove a predetermined route with certain fields selected as reference points. The fields were categorized based on the erosion present, tillage used and the amount of crop residue left.

Data was collected last spring and summer from more than 50,000 fields across the state. A summary of the results can be viewed at the Illinois Department of Agriculture website at <http://www.agr.state.il.us/> then click the link titled Conservation is King.

Excerpts From A New Book by Greg Stanmar

Mel Reynolds

"Chicago ain't ready for reform yet," an early 20th Century alderman went down in the history books as saying when he ungrammatically told his constituents the role the Windy City would play in cleaning house. We'll talk more about the alderman elsewhere in the book, but Chicago politicians have tried to exemplify that role and Mel Reynolds was one of the best examples in that century.

Reynolds was off to a bright start despite his humble beginnings of being poor, black and from Mississippi. His family came to Chicago after he was born in 1952 and he took full advantage of opportunities open to a bright minority member in the north. He picked up degrees at Roosevelt University and the University of Illinois before becoming a Rhodes Scholar at Oxford University in England.

Perhaps it was his time at Roosevelt that he learned how to make believe. The school encloses The Auditorium Theatre, one of Chicago's best playhouses. Or maybe he picked up some tricks that previous Oxford classmate Bill Clinton left behind.

He starred in "Mel Reynolds: The Story I Want Everyone to Believe" when he entered the non-academic world. His new role as a politician got off to a slow start when he ran for congress in 1986 against the mighty Gus Savage. Reynolds lost that campaign as well as the next two tries. He finally beat Savage in 1992 in a race to see who could be the most racist and survive a change in demographics caused by redistricting. But a year later he was convicted of 12 counts of various sex crimes, including messing with a too-young campaign worker and pornography. His plea that the charges were racially-motivated fell on deaf ears and he was sentenced to five years in prison.

His wife, Marisol, must have been irritated by Reynolds' sessions with the 16-year-old campaign worker. She must have become really irritated to get drawn into his role as the flim flam man that he was playing before the nation. He got terrible reviews from the justice department which made sure in 1997 that he got more time behind bars.

Remember fellow Oxford alumni Bill Clinton? He commuted Reynolds' sentence hours before he left office. Alumni ties, it was supposed.

No one wants a good play to end and Reynolds is not going to send audiences home for a while. We read about his losing his wife to another Chicago man in 2002, which prompted a \$150,000 suit for alienation of affections. When he attempted to get his old congressional seat back in 2004 he was panned by voters, who decided to keep Jesse Jackson Jr. in Reynolds' old congressional seat by an 88 percent margin.

USDA Urges Voters to Participate in County Committee Elections

Dec. 7 Deadline for Submitting Ballots Nears

Scherrie V. Giamanco, State Executive Director of USDA's Farm Service Agency (FSA) in Illinois, urges Illinois farmers, ranchers and other agricultural producers to vote in FSA county committee elections by Dec. 7, the deadline for casting ballots.

"FSA county committees provide producers with the opportunity to help implement federal farm programs in their communities," said Giamanco. "It is vital that all farmers and ranchers, especially women and minorities, participate in the elections process to ensure the opinions expressed in committee meetings reflect an area's agricultural sector."

Producers must return ballots to their local FSA offices by the close of business on Dec. 7. Newly elected committee members and alternates take office Jan. 1, 2010.

FSA county committees help administer federal farm programs at the local level. Committee members make decisions on conservation programs; commodity price support loans and payments; disaster assistance payments; and other agricultural issues.

County committees consist of three to five elected members who serve three-year terms. Committees may also have one or more female or minority advisors to further represent the local interests of women and minority farmers and ranchers. Each year, one-third of all committee members are elected across the country. More than 8,000 county committee members serve in more than 2,300 local FSA offices nationwide.

For more information about FSA county committee elections, visit <http://www.fsa.usda.gov/FSA/webapp?area=newsroom&subject=landing&topic=cce>.

NCICG holds 30th Annual Dinner

Seven Past Mayors Honored & Carol Kulek, Keynote Speaker from IL Department of Commerce and Economic Opportunity In the spirit of Thanksgiving, North Central IL Council of Governments (NCICG) celebrated their 30th year by recognizing the following former Mayors / Village Presidents for their support of NCICG:

Tim Shipp, President of Village of Bureau Junction
 Don Bosnich, Jr., President of Village of DePue
 Kevin Troglio, President of Village of Mark
 James A Narzewski, Mayor of City of Spring Valley
 Larry L. Harber, Mayor of City of Toluca
 In memoriam James Kupec, Mayor of City of Wenona
 John Gordon, President of Village of Wyandot

The honorees (representing a combined 204 years of service as mayor/village president and trustee/alderman/councilman), received plaques recognizing their many years of service. Each Achievement Award was inscribed... "In Grateful Appreciation for Dedicated Service to the People of their respective city/village and their Support of the North Central Illinois Council of Governments."

Over the 30 years, NCICG wrote and administered a total of approximately 60 grants for a variety of projects in these seven (7) communities. Total grant funds awarded equals \$14,732,157. These grants resulted in a total of \$87,645,210 of public and private funds being invested in these seven (7) communities. This figure does not include the peripheral benefits and expenditures that occur because of projects like this (e.g. jobs created).

The evening's program also included a presentation by Carol Kulek from the Department of Commerce and Economic Opportunity (DCEO), Bureau of Energy/Recycling. Her presentation, entitled: "Energy Efficiency Resources for Local Governments," outlined for the communities how the DCEO and NCICG will be working with Federal Recovery funds to help their communities become more energy efficient. Ms. Kulek made the formal announcement that NCICG will be administering over \$900,000 in Federal Recovery funds for the statewide Energy Efficiency Community Block Grant Program. The funds will be granted to local governments in the region through a competitive application process.

Carol was introduced by past Executive Director of NCICG, Doug McDermand. Doug gave a brief history of NCICG highlighting some of the major accomplishments.

NCICG, a not-for-profit regional planning agency has been providing planning, technical assistance, and grant writing services to counties, townships, and communities since 1979. NCICG works to strengthen the capacity of local governments in the North Central Illinois region, and to provide information about and access to state and federal programs through a program of intergovernmental cooperation.

Help for the Homeless

by Lonii Jones
 Social Security District Manager in Peru

Social Security administers several programs that pay benefits to qualified individuals, including those who are homeless. These programs include retirement, disability and survivors insurance, as well as Supplemental Security Income (SSI), which is a needs-based program for people who are blind, disabled or age 65 or older. If you know someone who is homeless, and you want to learn more about how Social Security might help, a place to get information is at www.socialsecurity.gov/homelessness.

For example, there is a link to our Benefit Eligibility Screening Tool, or BEST. Based on answers to various questions, this tool helps determine the benefits someone might be eligible for and gives information about how to qualify and apply. Go directly to BEST at www.socialsecurity.gov/best.

The Spotlight on Homelessness is a page designed to help the homeless apply for SSI. It's available at www.socialsecurity.gov/ssi/spotlights/spot-homeless.htm. There are links to information on health care for the homeless, institutionalization, advocacy groups, reports on homeless outreach, and even links to other websites like the U.S. Interagency Council on Homelessness, disabilityinfo.gov, govbenefits.gov, and HUD.

You can help us help the homeless. If you know someone who is homeless, take a look at our Service to the Homeless website and look through the information. Tell anyone you know who is homeless or threatened with homelessness to use the Benefit Eligibility Screening Tool, to visit our Service to the Homeless page, and to check out the different types of benefits and assistance they may be eligible to receive.

"No Place like Home"

As Dorothy reminded us as she wished her way back to Kansas, there really is "No Place like Home." And the local campaign of the same name, which is designed to bring back the young people who choose to leave the north central Illinois area to go to school, to join the military, to look for a job, or just simply to try out life in the bigger cities, has had over 3,000 opportunities to remind webpage visitors of that very thing in just a little over a year.

Studies of the NCI Works four-county area that covers Bureau, LaSalle, Lee and Putnam Counties indicated that many young people were leaving the area for a number of different reasons, with many not coming back until many years later - if at all. That trend, often referred to as "brain drain" or "youth flight," left area businesses short of local talent to fill their higher skilled, higher paying jobs. As Doan NCI Works' Chairperson explained, the idea behind "No Place like Home" is to have employers post their higher skilled jobs paying at least \$15/hour, or a salaried equivalent, on the NCI Works' website, whether those jobs are open or not at the time of the posting. Furlan invited employers who would like to post their jobs on the "No Place like Home" webpage to contact her office at (815) 224-7930. She also urged young people, as well as their families and friends, to check out the "No Place like Home" webpage on www.nciworks.org to see if there might be that perfect job just waiting for them to come back home, kind of like mom and dad are doing.

Mallery to Run For County Clerk

David Mallery, 46 of rural Hennepin has announced his candidacy for the office of Putnam County Clerk and Recorder. Mallery, a life long resident of Putnam County, is currently employed at Illinois State University as an adjunct NTT faculty member. He also is the caretaker of Princeton Game and Fish.

Mallery earned a Bachelor's of Science in Business Management from Lincoln College and is currently nearing completion of a Master's in Project Management from ISU's College of Technology. David graduated, summa cum laude from Lincoln College and is a member of PTK Honor Society.

Mallery believes that he can utilize the business and project management principles that he has learned as well as many years of retail experience to improve the office of county clerk.

"The clerk's office is often a new resident's first governmental experience. They register to vote and record deeds. I intend to insure that the "office's customers" have a favorable experience with our local government."

Mallery's lifelong community involvement has included memberships in the Putnam County Jaycees, Lions Club International, Putnam County

Ambulance Service and Putnam County School's Community Action Committee. He has been a delegate to IDNR's Executive Committee for Conservation Congress, trustee member of Illinois Association of Conservation Districts, and trustee and president of the Putnam County Conservation District.

Currently, he is a member of Magnolia Masonic Lodge, Hennepin Methodist Church and serves as a Hennepin firefighter and as the Hennepin American Legion's Post Commander. Mallery, a Desert Storm veteran, actively participates in the community's veteran ceremonies, fundraisers and Honor Details.

"I am proud to be a part of an organization that honors those that have served our Country and community." "I am equally proud of the citizens that support our veteran organizations and their events," claims Mallery.

Mallery, a strong supporter of education, has served as an elected trustee of the IVCC Board since 2005. Mallery served as IVCC's delegate to the Illinois Community College Trustee Association where he participated in numerous governmental training sessions. Recently, Mallery was elected by the newly seated board to serve as Secretary of the Board.

"IVCC is a wonderful educational institution and is where I began my formal post-secondary education. Similarly, Putnam County is a wonderful community and has taught me much about life." "There is nowhere else I would wish to live," says Mallery.

Mallery has been married 23 years to Denise (Mellott) and is the father of two children, Alicia age 13, and Owen age 11.

"I trust the voters will take into account my record of dedicated public service, my educational experience, and my interest to improve local government as they make their decision," Mallery concludes.

ning with FY 08, in conjunction with submission of the Annual Statement of Affairs [105 ILCS 5/10-17].

The new provisions, effective for FY 08, include the following requirements:

1. 'A school board must list on the district's Internet website, if any, all contracts over \$25,000 and any contract that the school board enters into with an exclusive bargaining representative.'

Compliance with this requirement can be achieved if, all contracts exceeding \$25,000, including personal service contracts and agreements, with an exclusive bargaining representative are posted in a list on the district website. Subsequent to the initial posting, as such contracts exceeding \$25,000 are awarded by the school board; they should be added to the list.

2. 'Each year, in conjunction with the submission of the Statement of Affairs to the State Board of Education prior to December 1, provided for in Section 10-17, each school district shall submit to the State Board of Education an annual report on all contracts over \$25,000 awarded by the school district during the previous fiscal year. The report shall include at least the following:

(1) the total number of all contracts awarded by the school district;

(2) the total value of all contracts awarded;

(3) the number of contracts awarded to minority owned businesses, female owned businesses, and businesses owned by persons with disabilities, as defined in the Business Enterprise for Minorities, Females and Persons with Disabilities Act, and locally owned businesses; and

(4) the total value of contracts awarded to minority owned businesses, female owned businesses, and businesses owned by persons with disabilities, as defined in the Business Enterprise for Minorities, Females and Persons with Disabilities Act, and locally owned businesses.

The report shall be made available to the public, including publication on the school district's Internet website, if any. [105 ILCS 5/10-20.40c]

The following guidance is provided to help in compliance with this requirement.

Contracts to be counted for the report include those contracts awarded during the relevant fiscal year (FY 08 for the report due on December 1, 2008) in an amount exceeding \$25,000 over the life of the contract... Multiple year contracts should be included in a report only in the year in which they are awarded.

Contracts to be excluded from the report submitted to ISBE would include: (1) collective bargaining agreements with district employee groups; and (2) personal services contracts with individual district employees. 2

The monetary value of all contracts included in the reported count submitted to ISBE consists of the amount to be paid throughout the life of the contract. For example, for the report due December 1, 2008:

A contract entered into during FY 08 to purchase a number of copy machines for a sum of \$125,000 would be included.

A 3 year contract entered into during FY 08 for professional services at the rate of \$85,000 per year would be counted and the value reported at \$255,000.

A 3 year contract entered into during FY 08 for food services for \$150,000 for the first year with an amount to be negotiated each year thereafter, the value reported would be \$150,000.

A 3 year contract entered into during FY 06 for pupil transportation at a value of \$200,000 each year DOES NOT have to be reported since the contract was awarded in a year prior to FY 08.

In order to classify which of the above contracts were awarded to minority, female, disabled or local contractors it is suggested that upon award of the contract the awardees be asked whether

they are certified as a minority, female, or disabled person owned business by a certifying agency (Chicago Transit Authority - Cook County - Illinois Department of Transportation - Metropolitan Transit Authority Metropolitan Water Reclamation District - U.S. Small Business Administration - State of Illinois.); they are locally owned, or they would be eligible for certification if application were made. If the response is positive, then that contract would be included in the count of minority, female, disabled or local contractors, and the value of the contract would be included in the value of all contracts awarded to minority, female, disabled or local contractors.

DEFINITIONS:

"Minority owned business, female owned business, and business owned by a person with a disability" means a business concern which is at least 51% owned by one or more minority persons, females, or persons with a disability; or in the case of a corporation, at least 51% of the stock in which is owned by one or more minority persons, females, or persons with a disability; and the management and daily business operations of which are controlled by one or more of the minority emales, or persons with a disability who own it. (30 ILCS 575/2)

"Minority person" shall mean a person who is a citizen or lawful permanent resident of the United States and who is: (a) African American - a person having origins in any of the black racial groups in Africa; or (b) Hispanic - a person of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean Islands, regardless of race; or (c) Asian American - a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands); or (d) Native American or Alaskan Native - a person having origins in any of the original peoples of North America. (30 ILCS 575/2)

"Female" shall mean a person who is a citizen or lawful permanent resident of the United States and who is of the female gender. (30 ILCS 575/2)

"Person with a disability" means a person who is a citizen or lawful resident of the United States and is a person qualifying as being disabled, where "Disabled" 3

means a severe physical or mental disability that: (a) results from: amputation, arthritis, autism, blindness, burn injury, cancer, cerebral palsy, cystic fibrosis, deafness, head injury, heart disease, hemiplegia, hemophilia, respiratory or pulmonary dysfunction, mental retardation, mental illness, multiple sclerosis, muscular dystrophy, musculoskeletal disorders, neurological disorders, including stroke and epilepsy, paraplegia, quadriplegia and other spinal cord conditions, sickle cell anemia, specific learning disabilities, or end stage renal failure disease; and (b) substantially limits one or more of the person's major life activities. Another disability or combination of disabilities may also be considered as a severe disability for the purposes of item (a) if it is determined by an evaluation of rehabilitation potential to cause a comparable degree of substantial functional limitation similar to the specific list of disabilities listed in this definition. (30 ILCS 575/2)

thority Act, 70 Illinois Compiled Statutes, 530/1 et seq., as supplemented and amended (the "Act"). The Bonds, and any bonds refunding the Bonds, will be special, limited obligations of the Issuer, the principal of, premium, if any, and interest on which will be payable solely from revenues and income derived from the repayment of the loan of the proceeds of the Bonds to the Borrower.

The Bonds and the interest on them do not constitute an indebtedness of the Issuer, the State of Illinois or any political subdivision thereof, or a loan of credit or a charge against the general credit or taxing power of any of them, within the meaning of any constitutional or statutory limitation, and the Issuer, the State of Illinois and any political subdivision of the state shall not be liable for the payments of the principal of, premium, if any, and interest on the Bonds, except from such revenues and income. The Bonds will not be payable in any manner from taxation.

The above-noticed public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended. At the time and place set for the public hearing, residents, taxpayers and other interested persons will be given the opportunity to express their views for or against the proposed plan of financing, the issuance of the Bonds and the nature and location of the facilities proposed to be financed by the Bonds. Written comments may also be submitted during regular office hours to Andrew J. Hamilton, Executive Director, 633 LaSalle Street, Suite 401, Ottawa, Illinois 61350 until 5:00 p.m., December 13, 2009.
