John Wesley Powell *150th Anniversary* *of the Colorado River Expedition*

Local Author Ron Bluemer discusses Powell (the principal of the Hennepin, IL schools in 1860). Powell lost his arm in the Civil War but continued to serve. He then explored the Rocky Mountains, led the historic river expedition through the Grand Canyon in 1869, and became the second head of the U.S. Geological Survey.

Everyone is invited to this free presentation.

Handicapped accessible.
