

Putnam County Historical Society Fall Program

Sunday, October 20, 2019 - 1:30 P.M.
Meeting House between Pulsifer House and Ag Museum
403 Old Hwy 26, Hennepin, IL

Aquaponics

Tony Stirling of Spring Valley will speak on aquaponics, a combination of aquaculture (raising fish in tanks) and hydroponics (raising plants without soil).

Tony operates Silver Creek Farms just west of Ladd, where he grows tilapia and koi fish and several varieties of organic lettuce for local stores and farmer's markets.

Everyone is invited to this presentation.

Admission is free.

Handicapped accessible.
